

## VIOLENT ATTACKS OF DYSPEPSIA

Suffered Tortures Until She Tried "Fruit-a-tives"

St. JEAN DE MATHIA, Jan. 27th, 1914.

"After suffering for a long time with Dyspepsia, I have been made well by 'Fruit-a-tives.' I suffered so much that at last I would not dare to eat for I was afraid of dying. Five years ago, I received samples of 'Fruit-a-tives' and after taking them I felt relief. Then I sent for three boxes and I kept improving until I was well. I quickly regained my lost weight—and now I eat, sleep and digest well—in a word, I am fully recovered, thanks to 'Fruit-a-tives.'"

### DRYDOCK DELEGATION TO OTTAWA DEBATED

(Continued from Page One.)

any government vessel. He drew attention to the fact that the citizens of Seattle had given financial assistance to the yards there in securing the first work and that possibly the G. T. P. could make some arrangement in this way.

Ald. Montgomery pointed out that the yards in Seattle were privately owned while this dock was built with the people's money and that the government should place work.

Ald. Nelson pointed out that the drydock was owned by the G. T. P. and not by the government.

T. D. Pattullo said that though it was a G. T. P. dock, still the government had a monetary interest in it on behalf of the people and he thought with Ald. Montgomery that it was entirely up to the government. The government was responsible for the dock being here and for the people being here and he felt that the government should place an order with the dock. He thought that

a wire to Mr. Clements would simply bring the reply that the matter was being considered, with the usual result. It was a time to demand that the government come through and that at once.

With regard to the appointment of a delegation, he thought that was entirely up to the council, as they were putting up the costs, though he would willingly abide by the decision of a public meeting on all questions and at all times.

The motion to wire to Mr. Clements carried unanimously.
