

TOOK THE ADVICE OF HIS FRIEND

Stomach Trouble and Rheumatism Relieved by "Fruit-a-tives"

MR. L. LABRIE
504 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen. A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.

NOTHING LEFT TO CHANGE BY PROFIT-TAKING TRIUMVIRATE

(Continued from Page two.)
mittee, acting through Brigadier General Sir Alexander Bertram, and each contract is accompanied

by a ratifying letter from Major General Sam Hughes, which would naturally bring his name into the debate even if it hadn't been there before.

Up to March 14th last, the two mushroom companies—of course they were peddling the orders out—had not delivered more than \$2,400,000 worth of fuses, a little over ten per cent. of their allotment, and, though the time clauses in their contracts have been flagrantly violated, the contracts still remain uncancelled. At this stage of the game, with three million and a half dollars cash advance in hand, three million and a half of Canadian money for time fuses for which Canadian soldiers must wait at a bitter cost of blood and pain and only \$2,400,000 worth of fuses delivered, these two favored companies could go out of business altogether, pocket their profits on the fuses already made, perhaps a million dollars, keep the cash advance amounting to another two millions clear cream, and let

the Canadian Government whistle for its money back.

If the contracts are cancelled that is what they will probably do. The way Colonel Allison and his helpers have got things fixed up, they stand to win whatever happens. As a matter of fact, as far back as June 10th, 1915, nine days before the contracts were signed with the two companies, a profit sharing partnership of negotiating middlemen, consisting of E. B. Cadwell, president of the American Ammunition Company, Benjamin Franklin Yoakum of New York, and E. W. Bassick, of Bridgeport, Conn., was busy not only counting its chickens, but actually dividing them before they were hatched. The commission of ten per cent. on an anticipated eleven million dollar order was split this way—Yoakum, \$475,000; Bassick, \$275,000, and Cadwell, \$250,000. Such keen fellows, or the other keen people they stood for, would hardly forget to share up the cash advance at the same time.

The Royal Standard Test

Here's where we test the choicest samples of Canada's six million acre wheat crop. We grind them into flour in the little mill you see on the left of the picture. Then comes the supreme test—bread-baking. If the bread is perfect in every way we pronounce the wheat A1 and the flour—ROYAL STANDARD.
