PATRIOTS

The latest auditor-general's report shows that the profiteer is not necessarily a by-product of the war, though in those days of stress and \$22,000,000 contracts, he has had an opportunity to flourish as never before. According to the standard set up by Joe Matson and others of the same type in Victoria and Vancouver, no doubt they see nothing wrong in filching money from the public purse by taking illegitimate profits, but the public, who have to pay the price, will probably take a slightly different view of the situation.

Right in our midst, we have several gentlemen who see no harm whatever in soaking the public through the government by charging exorbitant rents for very ordinary buildings. We publish a few little items just to show what they can do, but these by no means cover the full extent of their ramifications, which extend to pile-drivers and several other lines of endeavor, which we will take the opportunity to deal with on some future occasion.

Enough has already been shown to prove that, while these gentlemen are not patriots of the million dollar type, still they are patriotic to the extent of some hundreds per month between them. They are the gentlemen who, on past occasions, wrapped themselves in the Union Jack and hollered about the Empire. They have shown clearly by their actions just exactly how much they care for the Dominion, what they care being reckoned at so much per month.

With regard to the \$516.33 per month for the Federal Building, the arrangement made with the government was \$175 per month for the ground

floor as a post office and \$125 for the customs house upstairs, which leaves \$216.33 to cover the rental for the engineer's and harbor master's rooms upstairs. In other words, the ground floor is worth \$175 per month and part of the second floor is worth \$341.33. No doubt the patriots feel that they are getting too little for the ground floor, and, figured on the Merryfield and Stephens basis, they probably are. However, the public will probably think otherwise.

NOTES AND COMMENTS

In spite of the fact that the Empire uses about \$2.00 worth of space per day to intimate that it gives no free advertising, it is giving columns free to The Daily News. We take this opportunity of extending our heartiest thanks with the hope that it may long continue.

We would be greatly obliged if, in the course of the advertising, our contemporary would intimate just where and when we supported or even mentioned the Standard Oil Company.

The Toronto News, via the Journal, says, in dealing with the Allison charges, that the postmaster-general cannot be held responsible when an employee opens a letter and steals money. This is a very poor simile to use in regard to the munitions graft charges. To be in Sam Hughes' position, the postmaster-general would have to let a mail contract to a firm with no capital, no ships and no railroads, and to have paid them \$1,000,000 the day the contract was signed.

Hannington saw nothing wrong in taking that \$2,000. That is just

Eating for Pleasure, Eating for Strength, are two distinct propositions—but both operations are combined in Shredded Wheat Biscuit, the food that is pleasing to the palate, that makes healthy tissue and gives strength to mind and body. It is what you digest, not what you eat, that nourishes the body. Every particle of Shredded Wheat Biscuit is taken up by the digestive organs and converted into muscle, bone and brain. Try it for breakfast with hot or cold milk or cream, or for any meal in combination with sliced bananas or other fruits.

 but a single instance out of a great number, a settler came in here with his wife and family, horses, cattle, etc. He built a good house and barn besides other improvements, and, after waiting for a year, without getting any definite promise of a road, was forced to leave. William Manson's friends claim he is ignorant of all this, but our road overseer, C. Spence, who is very active in doing the political dirty work, has boasted of "taking the bit between his teeth" and doing as he pleased, knew of it, and what Spence knows, Manson is not long in hearing. The only way of putting hobbles on Spence and the rest of the gang is to put the

party out of office that makes use of such methods.

We all remember what recently happened in Manitoba, the premier and several cabinet ministers of a corrupt Tory government being arrested and charged with defrauding the province, and under the new Liberal government, in a few months, Manitoba has taken first place in Canada with a record of the most progressive legislation.

At the coming election, we have our choice between Liberalism and progress and Manson and mismanagement under Bowserism and as foretold by "Calamity Sam," Bowserism is doomed.

Yours truly,
 F. C. HOWES.
