JAPANESE DRAMA AT MAJESTIC THEATRE

"The White Pearl," the five-act Famous Players production at the Majestic tonight, is the story of a girl who is shipwrecked off the coast of Japan and ultimately becomes a Geisha girl. She has been heralded as a goddess by the Japanese, and, having lost her memory, accepts her new surroundings as a matter of course. She is ultimately discovered by her lover and all ends happily. There is some very pretty Japanese scenery in this piece and several of the actors and actresses are actually Orientals.

The Gaumont Gazette shows some very good war pictures, including a splendid view of the Grand Duke Nicholas reviewing Russian troops; Belgian wounded being cared for and several other military features.

KELP HARVESTER HAS BEEN BUILT

The harvester is 159 feet over all, with a width of 40 feet. It is self-propelling, being equipped with twin screw propellers driven by two 110 h. p. Union engines. It will have a daily cutting capacity of 500 tons.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.

The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is specially due to its great value as a permanent lung and bronchial healer.
