Worn Out, Thin and Miserable Until She Took "Fruit-a-tives"

PALMERSTON, June 20th, 1914.  
"Stomach Trouble and Distressing Headaches nearly drove me wild. Some time ago, I got a box of "Fruit-a-tives," your famous fruit medicine, and they completely relieved me. To-day I am feeling fine and a physician, meeting me on the street, asked the reason for my improved appearance. I said, "I am taking Fruit-a-tives." He said, "If Fruit-a-tives make you look so well, go ahead and take them. They are doing more for you than I can."

### NEW ZEALAND HAS HONORED SOUTH AFRICA

the city of Auckland, New Zealand, determined a few months ago to send, as a proof of their admiration for the conquest of German Southwest Africa, presents to Generals Botha and Smuts, and these have now been prepared.

To General Botha goes an address on vellum, exquisitely illuminated, and enclosed in a silver casket that stands on a base of three New Zealand woods—rewarewa, Wairangi purau, and wavy manuka. Above is a block of greenstone on silver feet, and the casket itself is ornamented with the Dominion coat of arms, a carved Maori whare, and the South African and New Zealand flags crossed. Other ornamentations include representations of fern leaves, kiwis, and tikis in silver.

On the lid of the casket is a mounted trooper in solid gold. The monogram of the recipient is done on gold, and gold-bordered panels bear representations of Mount Egmont and Mitre Peak, the two famous New Zealand mountains. A similar casket and address has been prepared for General Smuts.—Exchange.

### Coughing scatters germs—Stop it

Coughing increases the irritation of the already inflamed mucous membranes and is moreover apt to carry disease to others.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.

The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is especially due to its great value as a permanent lung and bronchial healer.

Sold everywhere, 35c large bottles.
