HAVING failed
TO BLAST the Liberals
WITH ELECTION charges,
WHICH PROVED nothing
EXCEPT
THE TYPE of men
WHO CLING to the Tories,
THE MATSON press
HAS resorted
TO EULOGISING Bowser.
THE LATEST joke is
THAT BOWSER has never
BEEN known
TO THE people
OF THIS province.
THE man
WHO KICKED out
DICK McBride;
WHO TURNED the troops
ON NANAIMO miners;
WHO could not
FIND room
FOR CERTAIN ladies
IN WESTMINSTER jail;
WHO allowed
THE Dominion Trust
TO ACCEPT deposits
CONTRARY to the law;
WHO permitted
McKenzie & Mann
TO escape

FROM \$14,000

WHO speculated
IN oyster beds
AT HALF price;
WHO allowed
JOE MATSON
TO USE \$75,000
PUBLIC money
AS He saw fit;
ETC., ETC., etc.,
WAS A myth.
HE existed only
IN THE imagination
OF CERTAIN Liberals.
BOWSER has just
BEEN discovered.
HE IS hailed
AS A Whitney,
AND an Asquith,
AND NO apology
IS OFFERED to Asquith.
THE articles
DO NOT mention
BOWSER'S memory.
BUT this
MAY have been
AN overlook
OR perhaps
IT WAS part
OF the myth.

Modern Beacon Fires

THE old beacon fires were the great advertising mediums of their age.

Though they could not advertise merchandise, they advertised the things of most vital interest to the people.

Placed on the summits of high hills, bearing a message to thousands of "readers," they were prototypes of those modern fires of Twentieth Century commerce—the "beacon" fires of Newspaper Advertising.

The advertisements appearing in the newspapers to-day are shining lights in the world of commerce, flashing out news and information to a waiting world.

When the modern manufacturer lights the Beacon Fires of Newspaper Advertising he places his message before the people in a way that will impart knowledge, beget appreciation and win preference for his goods.

Who can fail to see any day the gleaming messages of "Magic Baking Powder," "Standard Ideal Ware," "Sunlight Soap," "Gillette Safety Razors," "Penman's Underwear," "Infants' Delight Soap," and many others?

To the Manufacturers of Canada

Each day sees more articles given publicity in the newspapers. Are your products and your brand still in the valley of obscurity, or are they blazoned forth by the beacon fires of advertising on the high hill of public favor?

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lunenburg Building, Toronto.
