some day by an imitation of
"SALADA"
and possibly you will not detect this imitation until the tea-pot reveals it. Demand always the genuine "Salada" in the sealed aluminum packet, and see that you get it, if you want that unique flavour of fresh, clean leaves properly prepared and packed.

THE CARE OF A PIANO

If an artist or cultivated musical amateur has a piano he will naturally keep it or have it kept in good tune. This applies with even greater force to the person who is beginning to form a taste for music. There is no more serious mistake than to imagine that any piano is good enough to practice on. Have G. C. Walker, piano tuner, attend to its needs by the year—all work guaranteed.
