

Of course, you can buy cheaper teas, but **"SALADA"** is undoubtedly the most economical and what appears to be 'cheap' in price will prove to be extravagant in use. The fresh young leaves of "Salada" will yield you generous value for your money. B115

THE CARE OF A PIANO

If an artist or cultivated musical amateur has a piano he will naturally keep it or have it kept in good tune. This applies with even greater force to the person who is beginning to form a taste for music. There is no more serious mistake than to imagine that any piano is good enough to practice on. Have G. C. Walker, piano tuner, attend to its needs by the year—all work guaranteed.

THE WESTERN UNIVERSITIES BATTALION NEEDS FIFTY MORE MEN TO COMPLETE THE ESTABLISHMENT.

THOUGHTFUL MEN OF EDUCATION

Leaders in the community should help the cause, by impressing upon the public the need for men, and the common duty. There is only one convincing way to do this,—by ENLISTING YOURSELF.
A DOUBLE SERVICE!
 You not only give your own service to the nation, but incite others by your example. You have no future, your dependents have nothing to live for, if Germany wins. Dare you take any chance in such a matter?
 The greater the number of men available for service, the shorter the war, and the fewer the losses. You owe it to yourself, your country, and the boys at the front, to act at once.
 Men of the University type have already done much—thousands have gone—but their identity has been lost in the various units they have joined. The University Battalion was designed to preserve their identity—to help by force of example as well as by service in the field.
 You have an opportunity of rendering the double service, under most agreeable conditions in the Western Universities Battalion. Don't wait for your neighbor to point the way or to force you to do your bit.
 Apply at once to the Officer Commanding U. of B. C. Company, 196th Overseas Battalion C. E. F., corner 10th and Laurel Street, Vancouver, B. C.
 Transportation to Headquarters forwarded on receipt of medical certificate or telegram from a doctor as to medical fitness.
