Back up and get a fresh start!

For men who got away to a false start on a pipe or home-made cigarettes Prince Albert has a word or two for what ails their smokeappetites! Forget you ever tried to smoke, for Prince Albert is so different, has such a fine flavor, and is so cool and cheerful and friendly, you'll get a new idea of smoke joy! The patented process cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!
This little talk is also for men who think they're on the right track. All to be said is that the sooner you lay out the price for a supply of Prince Albert, the sooner you'll make a discovery that'll be worth a lot to your peace of mind and tongue! If your dealer cannot supply it, ask him to secure Prince Albert through his wholesaler. Get the idea of smoking all you want without a comeback—that's P. A.
R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C., U. S. A.

On the reverse side of this tidy tin you will read: "Process Patented July 20th, 1907," which has made three men smoke pipes where one smoked before!
