ALLIES DEMAND BIG CHANGES IN GREEK CABINET

Greek Army Must Demobilize and German Element in Government Ousted—Athens Accepts.

(Special to The Daily News.)

London, June 23.—The text of the recent note sent by the Allies to Greece has now been made known. It demands the immediate demobilization of the Greek army; the immediate replacing of the present Greek cabinet by a business cabinet having no political color; the immediate dissolution of the Chamber of Deputies followed by new elections, and the replacement of certain functionaries whose attitude, inspired by foreign influence, has facilitated attempts against peaceable citizens and insults against the Allied Legations.

The note is the result of recent happenings in Athens, the chief of which was a demonstration against the Allied Legations, carried on at the instigation of certain members of the Skoudoulis government, the authorities making no attempt to restore order or apologise to the Allied representatives for the indignities offered.

Athens Despatch.

An Athens despatch states that the Greek government has acceded to all the Allied demands.

HUGHES' FIREWORKS AT SMALL ARMS ENQUIRY

When the small arms ammunition inquiry was resumed yesterday, Mr. Hudson, government counsel, stated that the sitting had been called in order to give Mr. Hartley Dewart, opposition counsel, an opportunity to cross-examine Sir Sam Hughes.

Trouble blew up as soon as the cross-examination of Sir Sam began.

Mr. Dewart asked him if he had given evidence before the Davidson commission on May 13th.

Sir Sam said he gave the evidence, but he could not remember the date.

Mr. Dewart referred to "Col. John Wesley Allison's memory," which caused Gen. Hughes to remark that he did not want any insinuations about Col. Allison. He was "a cleaner man than Hartley Dewart," he added.

Sir Sam maintained that the ammunition was sold to Vickers, Limited, and not to the Admiralty.

"Have you looked at the evidence to see that it was sold to Col. Allison?"

"I do not intend to do so," said the minister.

A moment later Sir Sam told Mr. Dewart not to quibble and referred to his methods as "pettifoggery."

Sir Sam stated that Allison had told him that he (Allison) had been appointed the agent of Vickers, Limited.

"You accepted his word?" "I would accept Allison's word when I would not accept Hartley Dewart's oath," said Sir Sam.

Rebukes Sir Sam.

Sir Charles Davidson at this point suggested that the examination should be conducted with less ascerbity.

Asked if he still adhered to the views that the ammunition was sold to Vickers, Limited, Sir Sam said he did. "We sold it to the Vickers firm for \$20. It was none of our business what the Admiralty paid for it," Sir Sam said.

"That is not the evidence," said Mr. Dewart.

Sir Sam—I do not care what the evidence is. I am telling what I know. It was none of my business if the Admiralty paid \$50 or \$1,000 for the ammunition.

PALESTINE UNDER HEEL OF GERMANY

An article in The Algoma Missionary News throws interesting light upon the situation in Palestine. Jerusalem and Lebanon are described as the two most favored spots in the Turkish Empire today and in both places the poor are in pitiable plight, many dying of starvation. Palestine has become practically a German province. There are more than 4,000 German officers and officials in the country and the number is growing.

Large numbers of Jews have been expelled from Palestine with relentless cruelty and the majority of them have taken refuge in Egypt, and those who remained behind are in dire straits. United States warships brought relief funds for the Jews, but fifty per cent of the funds found its way into Turkish pockets. While Palestine is under the heel of Germany, the Russian government, so often accused of being the persecutor of the Jews, contributed 500,000 rubles to the Petrograd Relief Fund for the aid of Jewish sufferers from the war.

Miss Rosa M. E. Scott, second daughter of the late Mr. P. W. Scott, of Prince Rupert, was married in Calgary on June 15th to Mr. Alfred Ward, of Delia, Alberta. Many friends of the bride and groom attended the ceremony which was performed by the Rev. Alexander Esler in Grace Presbyterian Church.

The bride was attired in an all white street costume of velvet corduroy and was attended by Miss Leslie Ward, niece of the groom. The wedding luncheon was given at the home of Mr. and Mrs. A. W. Ward, of Calgary, Mr. A. W. Ward being a brother of the groom. The young couple will make their home in Delia, Alberta.

SITUATION IN MEXICO MORE REASSURING

Both Governments Hopeful of a Peaceful Outcome—Japs Cannot Handle Any Munitions.

(Special to The Daily News.)

Washington, June 23.—Reports on the Mexican situation are more reassuring this morning. Both Washington and the de facto Mexican government hope that the Carrizal affair will not be considered of sufficient importance to precipitate general hostilities. Many of the United States officers look for a peaceful outcome of the negotiations and it is reported that the Carranza government is inclined to seek a peaceful way out of the difficulty.

Japs Reply.

The Hotel Rupert bulletin says that the Mexican government has asked Japan to figure upon an ammunition contract, but the Japs replied that they had as much business as they could handle in supplying munitions to the Allies in Europe.

CALGARY MINERS ARE MAKING DEMANDS

(Special to The Daily News.)

Calgary, June 23.—Representatives of the coal operators and the Miners' Union met in conference here yesterday. The miners are requesting a war bonus of ten cents per ton on all coal mined and also demand that white labor be substituted for Oriental. No agreement has yet been reached on either point.
