PROPOSED INCREASE IN MARKET COMMISSION

At the city council last night, Ald. McRae introduced a bylaw to increase the commission on goods sold at the city market from 7 1/2 per cent. to 10 per cent., the extra 2 1/2 per cent. to go to the city to cover interest on invested capital. It was moved by Ald. Nelson and seconded by Ald. Dybbavn that the bylaw be read a second time next Monday.

Ald. Casey wanted to know Ald. McRae's reasons for the change. He thought that the market was doing well and that it should be given a fair trial under the present system. He thought it unwise, particularly at the present time, to make any change which tended to increase the cost of living.

Ald. Montgomery supported the contention. Ald. McRae said that the whole matter was tentative and would be fully discussed next Monday, the Aldermen meantime having a week in which to go into the matter.

BREWSTER AND TUPPER SEND JOINT MESSAGE TO B.C. FORCES

LIBERAL LEADER AND SIR CHAS. HIBBERT TUPPER ADDRESS
MANIFESTO TO CANADIAN SOLDIERS AND SAILORS
EMPOWERED TO VOTE—CALL FOR CLEAN
GOVERNMENT IN B. C.

Vancouver, August 5.—For the first time in Canada's history a manifesto has been sent by a political leader to Canadian soldiers and sailors serving in the defence of the Empire. And it is a Manifesto lofty in tone, simple and direct in appeal and carrying conviction in every line of the need for a clean government and able administrators to handle the many difficult problems that will arise in this province both during the continuance of the present world-strife and afterwards when peace follows the Allies' victory.

A joint message to the British Columbia forces, naval and military, in connection with the coming provincial elections, signed by Mr. H. C. Brewster, leader of the Liberal party in British Columbia, and Sir Charles Hubbert Tupper, K. C., who, although an avowed Conservative, is an apostle of clean government above all things, has been addressed to British Columbia military and naval forces empowered to vote under the "Military Forces Voting Act."

In view of the fact that from next Monday on until September 14, the British Columbia forces who are on active service, either afloat or ashore, in Canada, Bermuda, and the United Kingdom, will have the right to exercise their franchise, the appeal is a timely one. It emphasizes the fact that the coming campaign is not a fight of party but of the people against official wrong doing, and is as follows:—

"Representing as we believe the public sentiment of the province, we extend this message. To you is given the opportunity of offering your manhood in the defence of our country and the preservation of its institutions and its ideals. To us at home falls the duty of maintaining those ideals and institutions in a way worthy of your splendid sacrifices. In the performance of this duty we believe a united effort should be made by the lovers of clean government and efficient administration, both Liberals and Conservatives, to drive from office the men who are misgoverning our province. Proud as we would be to take our place beside you on the field and to offer our services and our lives in the country's cause, we are precluded by circumstances from discharging that splendid duty. May our lesser part be performed equally well. The least that we can do is to strain every effort towards the improvement of public conditions, so that we may welcome you home to a province cleansed of all that is evil, mean and sordid, and blessed with high ideals and good government. You will exercise your franchise with nothing but the most sincere desire for the welfare of British Columbia. We do not propose to discuss the issues upon which the future of the province depends, nor will we seek to influence you by promises. You have long known the record of the present government. Their tenure of office has been marked by extravagance, incompetency and wholesale corruption. A chance is now afforded to save British Columbia as you are rescuing unhappy Belgium. It is not a fight of party but of the people against official wrong-doing. It is a fight in which not only all Liberals but many Conservatives are united.

(Signed)

What Do Legislators Say About The B. C. Prohibition Act?

H. C. BREWSTER (Liberal Leader)
"I am surprised we are not asked to pass an Act that will actually prohibit."

"There are many features of this legislation that are not in the best interests of our people. As an example, I refer to the burden of proof which should not be on the accused in this Act, because this is a wrong and un-British principle."

MR. PARKER WILLIAMS (Socialist)
"I am willing to vote for Prohibition that will prohibit, but not for such a lop-sided, jug-handled imitation such as the present bill."

"I am surprised to hear that the Prohibitionists are satisfied with the terms of an Act which permits any man to import liquor into the Province by wholesale."

MR. H. B. THOMPSON (Conservative)
"There is nothing like Prohibition in the Bill. It will not diminish the consumption of alcoholic beverages, but will increase purchase of strong liquor."

"Its very name is counterfeit, and to the elector who may desire a real prohibitory measure, it is a 'Gold Brick' of the most pronounced type."

EVERY ELECTOR SHOULD READ THE PROHIBITION ACT FOR HIMSELF AND LEARN WHY MEMBERS OF THE LEGISLATURE SPOKE AS ABOVE. Copies of the Act can be secured on application to the Merchants Protective Association, Room 24, Canadian Life Building, Vancouver.

BILLIE RITCHIE AT THE WESTHOLME THEATRE

There is a splendidly varied show at the Westholme tonight, including "Billie's Reformation," a Billie Ritchie feature. Billie is one of the world's greatest comedians and in the earlier days of the film, Chaplin was understudy to this great fun provoker. Irving Cummings also appears in a fine two-act drama entitled "Conscience"; there is a most thrilling drama, "The Smugglers of Sligo," and a roaring comedy in "Love Laughs at Dyspepsia." With such a variety of drama and comedy there should be features of this program to please everybody. Billie Ritchie alone is worth seeing. He has all the Chaplin mannerisms, or rather Chaplin has all his, and the fun is fast and furious. "Graft" will be shown on Wednesday.

BASEBALL

The Colts and C. C.'s meet tonight at Recreation Park at 7 sharp to play the undecided game. It will be remembered that the last game ended in a tie of 7 runs each at the seventh innings, darkness interfering. The Colts will be out to win tonight and a real good game should result.

FIRE TENDER

The Thompson Hardware Company was the only tender on solid tires for the city garbage wagon. The price quoted was \$293. The matter was referred to the health committee and the purchasing agent.

Mrs. R. O. Miller, who has been visiting for some time with her mother in Nanaimo, has been rather seriously ill, having had to undergo an operation. Her many friends will be glad to learn that she is now out of hospital and making a good recovery.

RUSSIAN BEAR REACHING OUT FOR LEMBERG

Brussilloff Draws Steadily Nearer
Goal—Italians Rendered Aid
in Russian Drive—
Sub. Sighted.

(Special to The Daily News.)

London, August 8.—The Russians, under General Brussilloff, are steadily drawing nearer to Lemberg. The railway is the only remaining avenue of supplies for Von Bothmer's army and that is very liable to be cut off shortly.

It now transpires that the Italian contribution to the Russian offensive was a million rifles from the factories of Turin, shipped to Russia via Port Arthur, in Manchuria, Vladivostok, and Archangel. This supply of rifles, added to the big guns provided by the Japanese, enabled Russia to inaugurate the successful drive in Galicia.

Submarine Sighted.

Portland, Maine, Aug. 8.—Another submarine has been sighted. It is probably the Bremen, the sister ship of the Deutschland, which has been at sea for several weeks and was believed to have been captured by the Allies.

THOMAS HALL WAS BURIED ON SUNDAY

The funeral of the late Thomas Hall took place on Sunday to Fairview cemetery from Hayner's Parlors. The pall-bearers were Geo. Davies, Joseph Dodimead, H. Ross and D. Anderson. Floral tributes were sent by Archie Watt, Miss Elizabeth Wright, Mr. and Mrs. Peter Black, G. Davies, H. Hughes, W. Scrimgeour, E. Anderson and J. Dodimead.

SPLENDID SHOW AT MAJESTIC THEATRE

There was a crowded house at the Majestic last night to see John Barrymore in "Nearly a King" and none could have been disappointed. When Jack is lined up to wed a princess he has never seen, he keeps asking "Is she white or black?" while he asks the question, his head is in serious danger. The play is near-comic, near-tragic throughout, and you scream with laughter one moment, only to hold your breath the next. There is a great fight scene and many thrilling situations, but running through all is an irresistible vein of comedy, and Barrymore is seen at his best. There is a great storm at sea and many other exciting episodes, making this a play not to be missed. An Eclair Gazette of the latest from Europe makes up a great show.
