PATRIOTIC WORK AT MILL BAY CANNERY

Mill Bay Cannery, on the Naas River, netted the handsome sum of \$45 in aid of the prisoners of war fund, as the result of a happy social gathering which was held on the large verandah of the cannery messhouse on the evening of August 2nd. The verandah was prettily decorated for the occasion with flags, plants and Chinese lanterns, the latter illuminating the many small tables which were heaped with dainties of every description. Cakes, candies, coffee, and all sorts of good things were in evidence and during the evening a program made up of purely local talent rendered splendid entertainment.

Most of the money was realized from the auctioning of articles donated by the residents, and considering the small population, the greatest credit is due the promoters of the event for the success which attended their efforts in a worthy cause. The Indians and Japanese at the cannery did their share in making the function a success.
