It's Time for a Change

VANCOUVER FORETOLD IT.
VICTORIA EMPHASIZED IT.
THE PEOPLE DEMAND IT.

The Islands have been depleted of Settlers.

The settler is leaving the interior because he cannot get his children to school.

Farm settlements are scattered over the valleys of our hinterland miles apart.

No attempt has been made to settle the north on any community plan.

Roads are built for political purposes instead of for development.

Huge tracts of land held by the speculator separate the settlers, and prevent them from having any social life or any of the advantages of civilization.

A VOTE FOR WILLIAM MANSON IS A VOTE FOR THE SPECULATOR—A VOTE FOR T. D. PATTULLO IS A VOTE FOR COMMUNITY SETTLEMENT.

VARIED PROGRAM AT WESTHOLME THEATRE

"Graft" having been shortshipped at Vancouver, the Westholme tonight and tomorrow will put on a great variety concert show, with six single reel films and a program of solos, dances and instrumental music. The pictures give a splendid variety of drama and comedy, while the concert program contains numbers by Prince Rupert's most prominent performers, including special items by P. C. Daugherty and H. A. Harvey.

"Graft" will be here for Friday when the usual high-class picture program will be shown.

THRILLING WAR DRAMA AT MAJESTIC THEATRE

James Cruze and Marguerite Snow, in "The Patriot and the Spy," are the stars at the Majestic tonight. This is a thrilling war drama in which there is an interesting love story and lots of excitement. The hero distinguishes himself at the front, is promoted and then is captured and sent to prison. There is a thrilling scene of the blowing up of a bridge while the other war scenes are of the most realistic description.

The Mutual Weekly is full of interesting items from everywhere, while the comedies are calculated to make anyone laugh. Combined with the splendid work of the Balagno-Stilwell orchestra this program will prove highly entertaining and interesting. For Friday and Saturday, Cleo Ridgely and Wallace Reid in "The Golden Chance" have been booked.

GOOD WORK

On Friday, Gracie Carroll, who has done such splendid service for the Red Cross Society, will sell flowers to raise funds to send tobacco to the local boys who are in the trenches. Last summer, this little girl earned the sum of $106.67 for the Red Cross, and during the holidays this year has collected $150 for the fund.

TRADES AND LABOR COUNCIL MEETING

(Continued From Page One.

later date. No word has yet been received from Mr. McVety as to whether he will be here on Labor Day.

Ald. Casey submitted a letter to be read at the council, relating to his nomination in the labor interests for the Atlin riding. Correspondence from Atlin was received giving the reasons why Ald. Casey's nomination was not carried out when the labor interests of that district were favorable to him. The correspondence also stated that W. X. Macdonald, the Conservative candidate in Atlin, had sought to give the impression that he had the endorsation of Prince Rupert Trades and Labor Council. The secretary was instructed to inform the correspondent that such was not the case, as the Trades and Labor Council refused to endorse any candidate affiliated with either political party.

Correspondence from Alice Arm, enclosing a considerable sum of money to support a candidate in Atlin, was also received. The money was returned with a letter of thanks.

The council went on record as endorsing the Woman Suffrage movement. It was decided to send a delegate to Toronto to be present at the Canadian Congress to be held in that city shortly.
