

HERE'S a luxury within the reach of everyone—a hair-bath in the whipped-cream-like lather that LUX makes in hot water. Your hair takes on a soft, luminous silken quality that makes it a crown of beauty indeed. The scalp is stimulated, your head refreshed.

LUX makes water soft as summer rain. These wee satin-smooth flakes of the purest essence of soap dissolve absolutely in hot water so that not the tiniest particle of soap can remain to clog the pores. Try it to-night.

FANNIE WARD AT

MAJESTIC THEATRE

"Tennessee's Partner," the five act story of the "forty-niners" presented at the Majestic tonight, is a delightful picturization of the times and ways of California as was known to Brete Harte. Fannie Ward, as "Tennessee," scores one of her greatest successes. There are many amusing episodes throughout the drama and each character is splendidly drawn. The waif of the plains captivates the rugged hearts of the miners and their efforts to keep from her the news that her father is dead and that Jack Hunter has adopted her as his own, while often pathetic, are also very funny at times. There is of course lots of excitement and thrill, and the whole play is typical of the mining camps of '52. It is a picture not to be missed. The rest of the program is up to the usual high standard and the music is of the best.

HOKOTA MARU HAS ARRIVED IN BROWN PASS

WEDDING BELLS

A quiet wedding was solemnized at Christ Church, Anyox, on Friday, Sept. 1st, Rev. F. G. Shepherd officiating, when Miss Anna C. Harris, daughter of J. Harris, Esq., St. Neots, Huntingham, England, was united in marriage to Mr. M. M. Marshall, son of Robert Marshall, Esq., Chiddingfold, England. The bride who wore a travelling costume, was accompanied by Miss Bertha Brentzen, the groom being supported by Mr. E. M. Hannan.

After the ceremony the bride and groom left Anyox on the Prince George bound for Victoria and Vancouver, where they will spend their honeymoon. The hearty good wishes of a large circle of friends are extended to Mr. and Mrs. Marshall, who will make their home at Anyox.

BROADWAY STAR FEATURE AT WESTHOLME THEATRE

"A Little Brother of the Rich," the big feature at the Westholme tonight, presents an all-star cast which would be hard to equal. Jane Novak needs no introduction to a Rupert audience and Hobart Bosworth and Hobart Henley are equally popular. It is a story of society and the stage, with love following its proverbially thorny way. The story of how a poor girl becomes a great actress and brings to her feet the man who has deserted her is strikingly told. It is a remarkably strong drama. There are also two good comedies and a novelty in the form of a local Chaplin stunt by school boys, Willie Martin, a Chaplin to the life, plays the barber and his "clients" come in for some typically Chaplin treatment. The other parts are played by M. Budenrich, W. Postula, W. Stewart, A. Prudhomme and R. Smith.

In the latest casualty list appears the name of Ed. Grant, of Bella Coola, who died of wounds.

ELECTORS, REMEMBER

STILL UNANSWERED

Until the Bowser party is able to answer the following questions to the satisfaction of the public, there is no hope that their machine men, F. W. Welsh and John L. Sullivan, can escape from public condemnation in connection with the "plugging" at the Vancouver by-election.

Why did not John L. Sullivan have the immigration officers turn back the "pluggers" at the crossing of the boundary line?

How did Fred Welsh know from whom the wireless message came when they were unsigned?

Why did Welsh destroy the letter supposed to have contained incriminating evidence against the Liberals, which he received from Sullivan?

Why did Welsh destroy the two wireless messages which he claimed contained incriminating evidence against the Liberals?

Why did Welsh, under oath, deny all knowledge of the presence of these men, when his landlord, Clark, a staunch Conservative, swore that he personally told Welsh of their presence on two occasions on the morning before the election?

Why did Welsh not notify the police until the afternoon of election day?

Was it a likely thing for Liberals to have "pluggers" over Mr. Welsh's store?

Why did Welsh have the soap contractor add the \$25 to his tender to the school board?

Why did Welsh quit the Vancouver Bowser ticket, or was he compelled to quit?

Why was Welsh sent to London to supervise the taking of the soldiers' vote?
