## FRED. STORK GIVEN GREAT RECEPTION

That local Liberals had still voice enough left for a cheer, after the somewhat strenuous times Thursday night, was evidenced at the wharf last night, when Fred. Stork, the Liberal Dominion candidate, returned from the south. There was a large gathering of both ladies and gentlemen and, as the Venture drew in to the wharf, L. W. Palmore called for three cheers for our future Dominion member, and they were given with a right good will, and followed by the singing of "He's a Jolly Good Fellow," after which there was another round of cheering. Fred. spent the most trying hours of his career yesterday, as he was tied up in Ocean Falls and had no information as to the outcome of the election. At three o'clock the news of the great Liberal victory came through and to say that our future Dominion member was happy is to put it very mildly.

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

## Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
