COMMISSIONERS VISIT PLACES OF INTEREST

On Saturday afternoon, the members of the Dominions Royal Commission visited the drydock, and afterwards the cold storage plant and Prince Rupert cannery at the invitation of T. H. Johnson. All were greatly interested in what they saw and the amount of business done at the cold storage seemed to surprise them. Perhaps the gentleman who was most interested in the drydock was Mr. Lorimer, who is president of the Steel Company of Scotland and head of the great Queen's Park works from which steam engines are shipped to all parts of the world. The cannery also proved highly interesting. It was not working at the time but the manager put a few fish through the "Iron Chink" and had the power turned on to show how the various machines did their work. Sir George Foster, who, as Minister of Trade and Commerce, was particularly interested in the finished product, sampled cans of Sockeye, Spring, Coho and Humpback salmon in order to see the different qualities. All were delighted with the scenery along the harbor, and, in looking down the harbor from the cold storage, Mr. Lorimer remarked: "What a harbor you have here. You could put the whole British fleet in it."

Showing at the Majestic tonight.

MARY PICKFORD AT MAJESTIC THEATRE

Dainty little Mary Pickford is the big attraction at the Majestic tonight in "Poor Little Peppina." This play is described as the biggest and most thrilling production in which this great little actress has ever appeared. The scene opens in Italy and then changes to Sicily where the kidnapped little American girl escapes as a stowaway, dressed as a boy. The little runaway becomes a "newsie," a boot-black, a fruit vendor and a messenger boy in New York and has no end of adventure. Her mannerisms and boyish conceptions are wonderfully clever and once more demonstrate the versatility of this great little star. There is a strong supporting cast and the play is beautifully staged in

every detail. An Eclair Gazette completes a show which no one will miss.

There will be no sale of cooking at the Red Cross rooms on September 22nd owing to the activities of the ladies in handling the refreshments at the fair. Those usually contributing to the Friday sales are requested to make their contributions for the fair.

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
