Grand Duke to Command Russo-Rumanian Armies—Berlin Alarmed—Allies Cross Struma River.

(Special to The Daily News.)

London, Oct. 7.—The Grand Duke Nicholas, who has been in command of the Russian campaign in Turkish Armenia since he relinquished the command on the eastern front, has departed for the Dobrudja region to take command of the Russo-Rumanian armies which are driving through Bulgaria in the direction of the railroad between Vienna and Constantinople, with a view to cutting off all communication between the Central Powers and the Turkish capital and ultimately taking possession of the city at the head of the Bosphorus. The news is creating alarm in Berlin.

Allies Take Nevoljen.
Paris, October 7.—The Entente armies have crossed the Struma River and their artillery fiercely bombarded the town of Nevoljen, compelling the Bulgarians to evacuate the town. The Allies now occupy the position vacated by the enemy and are consolidating the territory captured.

WORLD'S SERIES

(Special to The Daily News.)

Boston, Oct. 7.—All indications point to a battle of left-handed pitchers in the first game of the world's series at Boston today. It is settled that Manager Robinson will send Rube Macquard to the mound for Brooklyn, while Manager Carrigan will rely on Dutch Leonard to uphold the honor of the champions of the American League.

The betting last night was 10 to 7 in favor of Boston, with very little Brooklyn money in sight. The supporters of Boston are far from predicting a walk-over and expect a good battle.

Later.

Boston leading at the end of the eighth inning 4-2. The batteries are, Boston, Shore and Cady; Brooklyn Marquard and Meyer.

John J. McNiven, of the Inland Revenue Department, left for Victoria this morning.

FREDERICK ADAMS KILLED IN ACTION

Constable William Adams received a telegram from the officer in charge of records at Ottawa containing the sad news that his brother Fred was killed in action on September 28th. Fred came out to this country with his brother about eighteen years ago, locating in the Kootenays, and coming to Prince Rupert in the early days. Mr. Adams had received no word from his brother for several weeks and just last night remarked that he was afraid that all was not well. Fred was 35 years of age and while in Prince Rupert was a highly respected and popular member of the Sons of England. The deepest sympathy of the whole community will go out to Mr. and Mrs. Adams in the loss of an only brother.

RUMANIANS CONTINUE TO ADVANCE IN TRANSYLVANIA

The Rumanians have made further progress and are now 75 miles west of the Rumanian border into Transylvania. The expulsion of the enemy from the lower shaded portion seems imminent and the latest reports state that the Austro-German forces are fleeing before the Rumanian forces.

ANNUAL MEETING OF RED CROSS SOCIETY

The annual meeting of the Red Cross Society was last evening in the Court house, Judge Young, the president, in the chair. The president read the report drawn up by J. B. Roerig, the secretary, in which an outline of the year's work was fully and clearly given and thanks extended to the public for their hearty support, without which nothing could have been accomplished. The press was thanked for its services to the cause.

Mrs. Woodland then read a financial statement, which set out very fully the amounts raised in the various districts and at the different sales, etc., in the city. It was accompanied by the report of the auditor, Mr. C. L. Munroe.

Mrs. Kergin, as superintendent of supplies, read a detailed report of the activities of and results achieved by her department. Further reference to those reports will be made in more detailed fashion later. The reports showed that about \$10,000 had been raised here for this worthy cause.

After reading the executive report, the president said that the ladies of this city had done a marvellous work during the past year and the results had exceeded the expectations of the most sanguine. "As we each day take up the newspapers and notice the lists of casualties growing larger and larger, we must realize that there must be no falling off, but that our efforts should be redoubled, and I am quite sure that during the coming year they will be," said Judge Young.

Mrs. R. L. McIntosh reported for the Prisoners of War Committee, making special reference to the services of the press in connection with this branch of the work.

The following officers were elected for the ensuing year:—President, Judge Young; Vice-President, Mrs. R. L. McIntosh;

BOARD OF TRADE AND THE LABOR SHORTAGE

The Board of Trade met last evening, L. M. de Gex being called to the chair in the absence of G. A. Woodland. G. W. Nickerson, the president, sent in his resignation, as he found that he would not be back in the city for a considerable time. It was left over until the end of the year.

A report was received from the legislative committee in regard to the alleged labor shortage. Letters were brought down from the various mining companies in the district stating that there is a shortage in several lines of labor and each company favored the raising of the embargo on foreign labor. The committee recommended that the embargo be lifted.

George R. Naden moved that the report be referred back to the committee for further consultation with the Trades and Labor Council, which body would be able to present the other side of the question. This was seconded by O. H. Nelson and carried unanimously.

Secretary, Mr. J. B. Roerig; Treasurer, Mrs. G. A. Woodland; Superintendents of Supplies, Mrs. Kergin and Mrs. Dawson; Executive, Mesdames Morrissey, Besner, Dawson, W. T. Kergin, J. H.
