

"Meat Prices Will Not Come Down" is the cheerful news from the Department of Agriculture. Meat prices will not worry the man or woman who knows that a **Shredded Wheat Biscuit** will supply more real body-building nutriment than beefsteak or eggs and at much less cost. Shredded Wheat remains the same price, the same high quality, supplying all the nutriment a man needs for a half-day's work. Two shredded wheat biscuits with peaches and cream or other fruits make a complete, nourishing meal at a cost of not over five cents.

COLONEL More-Buncombe,

IT SOUNDED like
A YOUNG lady

PREPARING for a ball.
COLONEL Four-Flusher,

SLAPPED him on the back

PAT'S "DOG" CART

Little Pat O'Reilly had a slight driving accident yesterday when he had his two little sisters out in his "dog" cart, the collie getting off the sidewalk and one of the wheels buckling slightly. The little folks are none the worse and the cart will soon be ready for the road again. The turnout resembles that used by the little folks of Belgium and also by the milk carriers in that forlorn country, and the dog seems to enjoy the fun just as much as the children, in fact he struts along with an added dignity and does not deign to recognise his canine friends while he is in harness.
