ROYALIST PLOT IS UNEARTHED IN GREECE

CANADIAN FISH FOR BRITISH ARMY — GERMAN LINE ON SOMME IS STILL INTACT

CONSTANTINE HAD SCHEME TO JOIN GERMANS

Greek Royalist Plot Exposed by the Allies—Drastic Demands Shattered the King's Dream.

(Special to The Daily News.)
London, Oct. 14.—Vice-Admiral Du Fournel, on behalf of the Allies, has demanded control of the Greek police; the prohibition of the carrying of arms by Greek citizens, and the stoppage of the transportation of munitions through the province of Thesaly to the neighborhood of Larissa.

The conditions laid down by the Allies have been accepted and the Entente ministers will now recognize the new Lambros cabinet.

German Plot.
According to despatches from Athens, the Entente Allies unearthed a Royalist plot, which explains the reason for the ultimatum of a few days ago, which included most drastic demands.

King Constantine was scheduled to retire northward with troops with the intention of concentrating in Thesaly, where he would remain entrenched until the arrival from Germany of an army, when the Greeks and the Germans would join forces against the Allies. King Constantine declared that Rumania would be wiped out in fifteen days.

ITALIANS NOW NEARING SECOND AUSTRIAN LINE

Four Hundred More Prisoners Taken on Gorizia Front—Further Italian Gains on the Carso.

(Special to The Daily News.)
Rome, Oct. 14.—Violent infantry fighting continues on the Carso Plateau, following the terrific Italian artillery bombardment on that front. The attacks have resulted in further successes for the Italians.

In the Gorizia region the Austrians have made heavy counterattacks which were all repulsed with severe casualties inflicted on the enemy. The Italians have approached to the second line of Austrian trenches and have captured four hundred more prisoners.

In Transylvania.
London, Oct. 14.—The steady pressure of the Austro-German forces is compelling the Rumanians in Transylvania to retire to their own frontier.

British Sailors Missing.
The British steamer Gardepie has been sunk. Twelve of her crew were saved but thirteen are missing.

PATRIOTIC CONCERT IN THE EMPRESS THEATRE

Private Peat, of the First Canadian Contingent, will tell of his experiences in the charge at St. Julien and in the fighting around Ypres, at the concert in the Empress Theatre tonight. Mrs. Peat, who had charge of munitions making in England, will also tell of what the women of Britain are doing to help defeat the Germans. Humorous numbers will be given by Private Jerrett and the program should prove to be highly interesting both from a musical and historical standpoint.

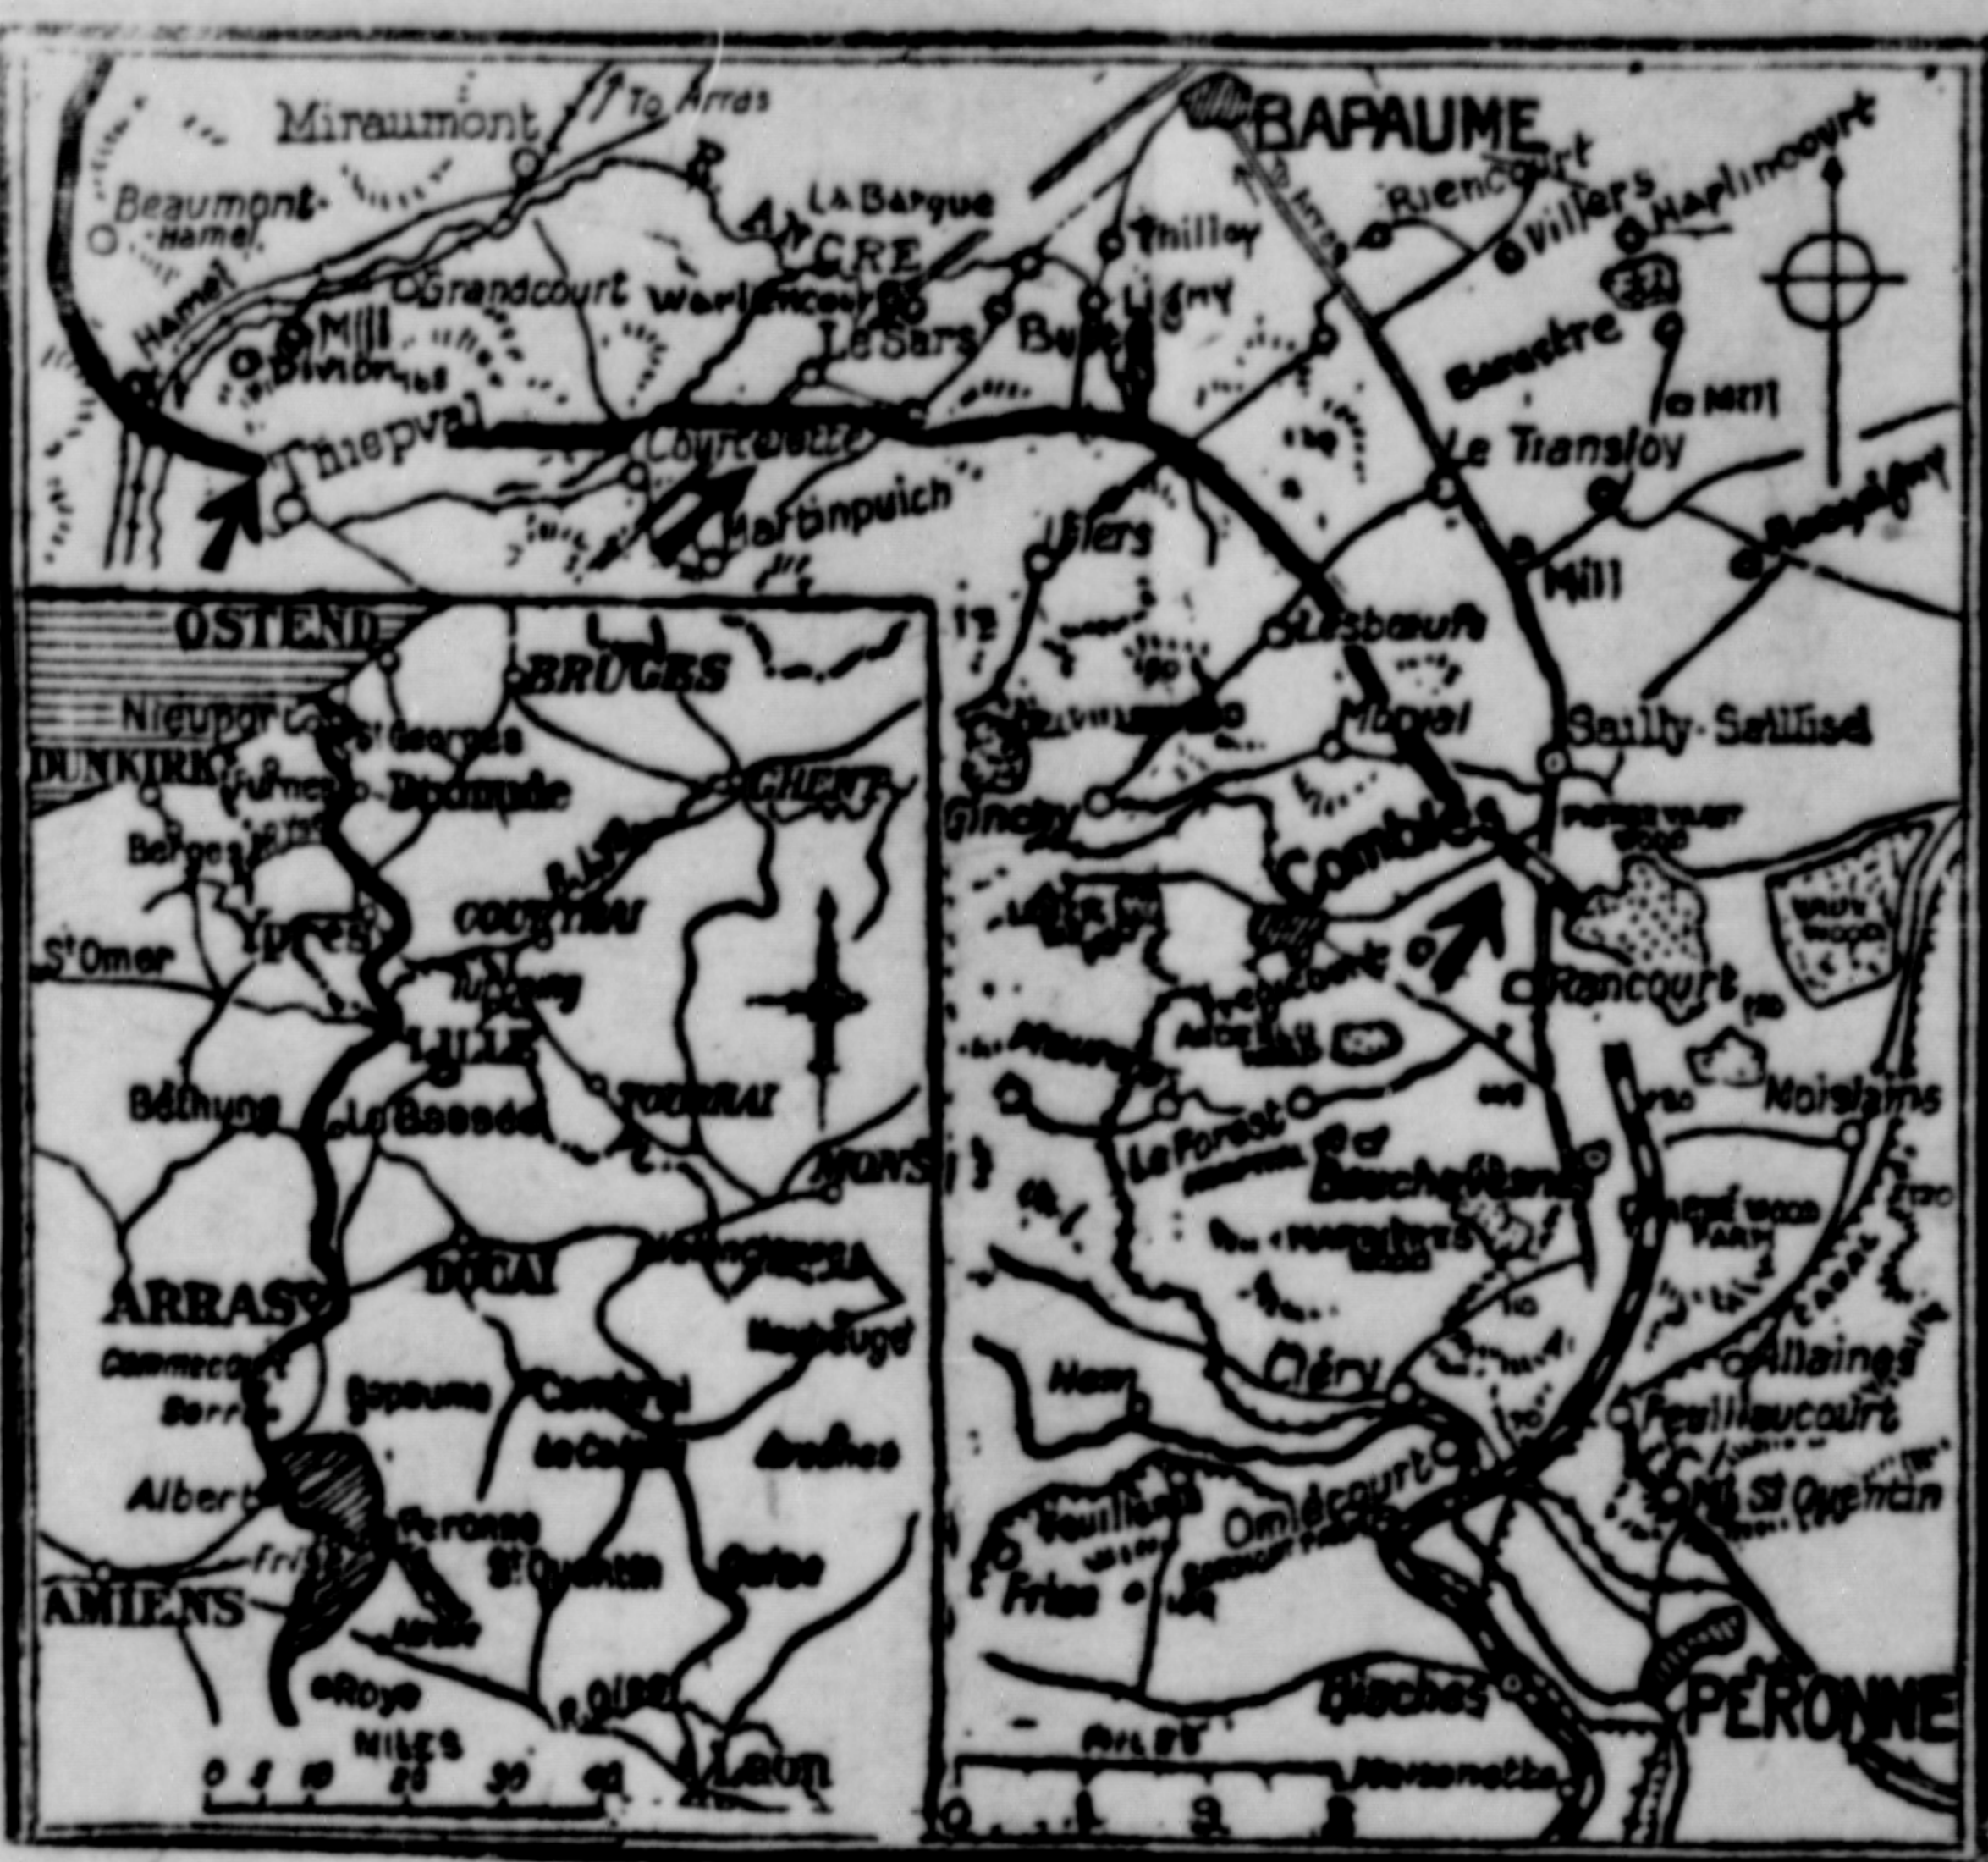

HALIBUT STEAMER INDEPENDENT HIT REEF

The halibut steamer Independent, of the National Independent Company, which was reported sunk off the Alaskan coast the other day, struck a reef off Middleton Island, fifty miles south of Cordova. A heavy sea was running at the time but the crew of thirty-eight were able to get away in their dories. The vessel was valued at \$50,000 and was built at Tacoma in 1911.

ANGLICAN CHURCH

"Children's Day" will be observed in the Church of England on Sunday, October 15th. The Sunday School children will attend the 11 o'clock service instead of the usual Sunday School in the afternoon. Parents and others interested in Sunday School work are specially urged to attend.

There will be a service in St. Peter's Church, Seal Cove, on Sunday afternoon at 3 o'clock.

LATEST ALLIED SUCCESSES ON THE SOMME
The map shows the latest Allied successes north of the Somme, where the Canadian forces have been engaged in desperate fighting during this week. The small map places the Somme offensive in its relation to the whole of the northwestern battle area. The arrows indicate the line of the latest attacks.

RETURNED SOLDIERS WELCOME ASSOCIATION

A Returned Soldiers' Welcome Association has been formed in the city for the purpose of assisting and advising soldiers returning from the front, particularly soldiers passing through the city to points in the surrounding district. Mrs. L. W. Reilly was appointed secretary at the inauguration meeting on Thursday evening, which was presided over by Ald. McClymont, and the following committee was appointed to wait on the city council on Monday evening with a view to securing the top floor of the telephone building on Third Avenue as quarters. Mrs. Besner, H. O. Crew and Ald. McClymont.

EASTERN STAR DANCE

The ladies of the Eastern Star gave a most delightful dance last evening in the Railwaymen's Hall. There was a large attendance and the hall was beautifully decorated for the occasion, the emblem of the lodge being used to good effect. Every number on the program was thoroughly enjoyed and the music provided by the Majestic orchestra had not a little to do with the enjoyment. The musicians platform was a perfect bower of flowers and evergreens. Along towards midnight the ladies served a splendid supper, after which dancing was resumed and kept up until an early hour this morning.

REGISTER NOW

Property holders only are on the municipal voters' list permanently. All who hold trade licenses must register this month at the city hall, if they wish to vote in the municipal elections in January. If you are not a property holder nor a holder of a trade license, you must pay your road tax and apply to have your name placed on the list. Do it now.

JACK MACDONALD REPORTED KILLED

A letter from the front this morning, telling of the death of James Stewart, mentions the fact that Jack Macdonald was killed at the same time. The writer thought this was Mr. Macdonald formerly of P. Burns & Company, but his brother, who is also with that company, has received no word, and, as the death mentioned must have taken place three weeks ago at least, there is every reason to believe that it is some other Jack Macdonald. There were at least two of the name in the battalion.

Jack, who was so well known here, was for a time on the quartermaster's staff, but about two months ago was transferred to the hand grenade company of the 3rd Pioneers. That he is still well will be the hope of everyone in the city.

"THE LOVE MASK" AT THE MAJESTIC THEATRE

"The Love Mask," the five-act Famous Players feature at the Majestic tonight, is a great story of the days of '49 in California. Cleo Ridgely and Wallace Reid are the stars and the acting leaves nothing to be desired. There are many amusing little passages throughout the play and much that is thrilling. Miss Ridgely as a maiden deprived of father and mother and left to carve out her own career in the days of the gold rush is splendid. Robbed of her claim, she disguises herself as a notorious bandit and defies the law. The law, in the shape of the sheriff, is in a quandry, as he falls desperately in love with the "bandit". It is one of the most novel stories the Lasky company has ever produced and it is well worth seeing. The rest of the show is good.

JAP LINER ASHORE

(Special to The Daily News.)
Seattle, Oct. 14.—The Japanese liner, Panama Maru is ashore near Port Townsend in a fog. No particulars as to her condition are yet to hand.

MAJOR W.S. MARSHALL DIED OF WOUNDS

Word reached town last night that Major Walter S. Marshall has died of wounds received on the western front. Mr. Marshall was one of the most popular young officers who left this city for active service. He went to Vernon as lieutenant in the 62nd Battalion and later got his captaincy. He got his majority on active service and was transferred to the Pioneers, who seem to have been in the thick of it in the west. Mr. Marshall was formerly manager of the Prince Rupert Importing Company and was a native of Hamilton, Ont. His brother, Col. Marshall, was killed shortly after Walter reached the front.

LIEUT. PETERS, D. S. O., IS AGAIN PROMOTED

City Solicitor Peters received the good news this morning that his son Lieut. Fritz Peters, D. S. O., has received further promotion in the Royal Navy, having been given command of H. M. S. Christopher, one of the newest and largest types of torpedo destroyers. It is intensely gratifying to know that the Canadian boys are earning honors on the sea as well as on land.

SOLDIERS' VOTES

(Special to The Daily News.)
Vancouver, October 14.—The counting of the British Columbia soldiers' votes is practically completed. The figures for Prohibition are 31,528 and 24,967 against, while there are 37,910 votes in favor of Woman Suffrage and 17,796 against, making the Prohibition majority 5,561 and the Suffrage majority 20,114. The votes cast in the various constituencies have not yet been announced. The returns from Europe will not be here until next week.

FUNNIEST CHAPLIN YET AT WESTHOLME THEATRE

Charlie Chaplin in "The Count" kept a huge audience simply rocking with laughter at the Westholme last night. This is really the funniest Chaplin film seen here yet. It begins quietly and gradually works up to a whirlwind of fun and frolic. Charlie's antics on a slippery ball room floor are intensely amusing while his toying with spaghetti at a "swell" dinner may be imagined but not described.

The rest of the bill is of the best. "Liberty" is the most realistic war picture ever screened here. It gives a most vivid impression of what has been happening in Mexico. "Suburban" is the story of a horse race and it is some race. There is of course more depending on the result than the mere winning of the race, and all ends happily. It is a great show.

BRITISH ARMY REQUIRES MORE CANADIAN FISH

Atlantic, Pacific and Great Lakes to Supply for Our Fighting Men—German Somme Line Intact.

(Special to The Daily News.)
London, Oct. 14.—For some time past the soldiers at the front have been receiving Canadian fish as part of their rations and the change of diet has proven so beneficial that the war office is extending it. Canadian fisheries on the Atlantic, Pacific and the Great Lakes will now supply the British army with one million, five hundred thousand pounds of fish.

Western Front.
Paris, Oct. 14.—The attempt by the British and French forces to break through the German lines on the Somme front has proved unsuccessful.

Verdun Safe.
General Nivelle, who succeeded General Petain in command of the French forces in front of Verdun, declares that Verdun is now safe and that there is no possibility of the Germans ever being able to break through on that front.
