

MISERABLE FROM STOMACH TROUBLE

Felt Wretched Until He Started To Take "Fruit-a-tives"

501 CHAMPLAIN ST., MONTREAL.
"For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells, and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen. A friend advised "Fruit-a-tives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-tives" is the only medicine that helped me". LOUIS LABRIE.

WAR PREDICTED TO END THIS YEAR

The Paris correspondent of the Berlingske Tidende has had an interview with Mme. A. de Thebes, a well known French clairvoyant and astrologer, in which she emphatically states that the war will end before the New Year.

She it was who said in 1913 that the year 1914 would be the year of great heroism, and despite much shedding of blood and tears would be a great year for France,

and place her in the front rank of the nations. The correspondent found Mme. de Thebes in her home in the Avenue de Wagram. She at first declined to be interviewed, referring the correspondent to her almanac for 1916, but she finally consented to give him the following message:—"I have predicted that the war will end this year, and I desire to say now, despite all circumstances and arguments to the contrary, that peace will be declared before the New Year. And peace will come suddenly and unexpectedly. The roar of the guns will cease overnight, and the soldiers on both fronts will be called home to peaceful pursuits. Fate has so decreed it."—Dispatch.

THE FOOT OF WAR

Boot and shoe exports increased 8,458,046 pairs for ten months as compared with 1914. There was an increase of over 100 per cent in quantity and 159 per cent in value. The total value of leather, boot and shoe exports, was in excess of \$120,000,000, against \$47,856,148 in 1914, an increase of 150 per cent.—Exchange.

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

Three Mighty Forces Close Linked

Have you ever noted how an audience yawns in the face of an uninspired speaker?

On the other hand, have you noted how an audience will lean forward and grasp the chair arms when the speaker reveals enthusiasm?

Enthusiasm is the buoyant expression of truth. To impart belief in anything, a man must believe it deeply himself. We call such a man an enthusiast.

This applies to the written word also—particularly to advertisements. When the manufacturer really believes in his wares, his enthusiasm will almost inevitably find expression in Advertising. And enthusiasm will be contagious—his audience—the readers of the newspaper—will, figuratively speaking, "lean forward and listen intently."

To be convincing an advertisement must convey an unmistakable impression of enthusiasm. This it will only do when the article advertised has inherent worth.

Thus we have:

**Sincerity -- Enthusiasm -- Advertising:
Three mighty forces, close-linked.**

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
