## GREAT NEW SERIAL AT WESTHOLME THEATRE

"Peg O' The Ring," the great circus serial featuring Grace Cunard, Ruth Stonehouse, Francis Ford and Eddie Polo, starts at the Westholme tonight and is continued tomorrow. This is one of the most striking serials ever produced and the circus scenes will delight the hearts of young and old. Lions, tigers, leopards and a regular menagerie of wild beasts take part in this great show and it is something not to be missed. The cast is a strong one and Grace Cunard makes a great hit in the leading role.

Tonight only, the serial will be accompanied by a thrilling drama entitled "Dr. Neighbor," in which Hobart Bosworth plays the lead. It is the story of the good Samaritan brought up to date and is an intensely interesting picture. Dorothy Davenport is also in the cast, which is a brilliant one.
