"THE INNOCENT LIE" AT WESTHOLME THEATRE

"The Innocent Lie," a Famous Players feature is the big item at the Westholme tonight and tomorrow, when Miss Valentine Grant makes her first appearance as a "movie" star. The company went specially to Bermuda for the staging of this drama and it is certainly a triumph for Sidney Olcott, the director. It is the story of an Irish girl, Nora O'Brien, who goes to America to find her brother. She carries a note for a friend to the Winters family, and, when she is hurt in a street brawl, the note is found and she is taken to the Winters' home where she is received as a cousin whom they have never seen. She finds her brother in the person of a burglar who has become chauffeur to the Winters with the object of robbing them. Thrilling adventures follow the discovery. Miss Grant plays her part splendidly and is supported by a strong company.

On Tuesday evening the Helen Holmes feature will be screened for one night only, the theatre being given over to the returned soldiers concert on Wednesday.

BILLIARD MATCH

The Prince Rupert Club on Saturday evening was the scene of a most brilliant exhibition of billiards, when James Melville, the star cueist of the city, met Mr. Edwards, the champion of South America, in a friendly encounter. The final score was in favor of Mr. Melville who reached 500 when his opponent's score stood at 472. The highest break made was 59. Quite a gathering of spectators viewed the game which was the finest ever played in the city.

CITY OF PRINCE RUPERT ATTENTION VOTERS

Persons who hold lots under agreements, or assignment of agreement, must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally.

It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.

Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.

FRED PETERS, City Clerk.
