**SPECIAL FEATURES AT THE SOLDIERS' CONCERT**

Under the auspices of the Returned Soldiers' Association, there will be an unique concert in the Westholme Theatre this evening. The boys have been rehearsing for the event and there will be some surprises, in the way of mimic warfare. There will be a representation of trench warfare by the men who have actually taken part in it. The proceeds will be devoted to a fund for the taking care of returned soldiers who have not been able to obtain work and the object needs no recommendation to the people on whose behalf those boys have risked all. The concert should be supported as a worthy cause, while those who attend are assured of a first-rate entertainment.

**DR. CADE HAD ROUGH EXPERIENCE YESTERDAY**

Dr. Cade had rather an exciting experience yesterday afternoon when his automobile turned turtle opposite the Norfolk Rooms on Fulton Street. There is a sharp turn at this point and the doctor's car, in taking the corner, skidded, struck the guard rail and flopped right over on its top. Passers-by feared that he was seriously hurt but he crawled out none the worse. The car will probably require a new top and mud-guards.

**FISH SPECIMENS TO ADVERTISE PRINCE RUPERT**

George Tessier, master of the staunch fishing schooner Karl F., has been doing some big stunts in fishing lately to advertise the staple industry of Prince Rupert. He landed at the government wharf recently a shark weighing about eight hundred pounds, and an assortment of black cod, ling cod and a dozen other specimens of fish food to be found in payable numbers in these waters. The shark was landed at the government wharf, packed in ice and shipped to Edmonton, where it will be frozen and exhibited under government auspices throughout the East. Along with it will go the specimens of halibut, cod, herring, salmon and so forth that were frozen here for exhibition purposes.

Such an exhibit should help to open the eyes of those eastern chaps to the fact that the Prince Rupert fisheries possess all the natural elements for a friendly rivalry with the old-established Canadian fisheries on the Atlantic.

**H. O. CREW POSSESSES INTERESTING RELIC**

The boys who have returned from the front have many little souvenirs which they are not in the habit of displaying much in public. H. O. Crew possesses one of the most remarkable of these in the shape of a "deathhead" finger ring which was taken from the finger of a dead officer of the Kaiser's Deathhead Hussars. On joining this famous regiment, each officer is given one of those rings, which are made of metal taken from guns captured from the French years ago. The ring has a grinning skull as a centre-piece, which is flanked on either side by the crossbones.

**LUMBERMEN WANTED**

The British army requires lumber just as much as it requires munitions and there are many men in Canada who can do their share for the Empire by enlisting in the Forestry Battalions. Sergt. Stokes is at the Red Cross rooms recruiting for a new Forestry Battalion and blacksmiths, teamsters, chaffeurs, sawyers, filers, edgemens, fellers, laborers and anyone having a knowledge of lumbering will be welcomed to the ranks. tf.

**CITY OF PRINCE RUPERT ATTENTION VOTERS**

Persons who hold lots under agreements, or assignment of agreement, must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally.

It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors. Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.  
FRED PETERS, City Clerk.
