CITY OF PRINCE RUPERT ATTENTION VOTERS
 Persons who hold lots under agreements, or assignment of agreement must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.
 It is impossible for me to ascertain the names of agreement holders unless they come in personally.
 It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.
 Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.
FRED PETERS, City Clerk.
