ATTENTION VOTERS

Persons who hold lots under agreements, or assignment of agreement, must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally.

It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.

Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.

FRED PETERS, City Clerk.

The 6th Field Company, Canadian Engineers, whose headquarters are at North Vancouver, are offering splendid opportunities to the handy man. Any man of ordinary intelligence, able to use tools; drive a horse or motor wagon, or use tools of any kind, can find an opening with the Engineers. The Engineers offer a scope where the natural abilities of a man will have the best chance for development. Promotion is rapid to anyone possessing constructive instinct. Carpenters, miners, wheelwrights, fitters, plumbers, electricians, etc., as well as handy men without experience, are wanted. The recruiting offices for the Canadian Engineers are at the corner of Hastings and Homer Streets, Vancouver, and at 606 View Street, Victoria. Free transportation arranged from any part of British Columbia.

TRANSPLANTING LOBSTERS

The United States Bureau of Fisheries is transferring from 6,000 to 8,000 lobsters from the coast of Maine to Puget Sound. Repeated attempts have been made by the department to cultivate the eastern crustacean on the coast but with poor results so far. The lobsters will travel in style as a private car has been placed at their disposal. They leave for their new home in the west on Wednesday.

The fortnightly Club meets in the Presbyterian Church on Wednesday evening at 8 o'clock, when D. C. McRae will lead in the affirmative, and C. R.
