CITY OF PRINCE RUPERT ATTENTION VOTERS

Persons who hold lots under agreements, or assignment of agreement, must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally.

It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.

Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.

FRED PETERS, City Clerk.

DAMAGES FOR INJURY AWARDED L. J. MACKAY

(Continued From Page One.)

pounds had to contend with in dodging such a hole. He held that it was impossible for Holton to see the depression in the floor. He contended that the evidence for the plaintiff showed that Holton was handling his truck in the ordinary way. He claimed damages on the ground that Mackay would never again be able to follow his former occupations of tie-cutter and prospector.

His Lordship, in summing up, dealt very clearly with the legal aspects of the case under common law, and also as it came within the scope of the Employers' Liability Act.

HALIBUT ARRIVALS

Five halibut schooners made port this morning with 190,000 pounds between them. The Vansee had 60,000; the Republic, 60,000; the Orient, 45,000, and the Arctic, 20,000. These are all American vessels. The Canadian schooner Rose Spit brought in 5,000 pounds. There had been no bidding this forenoon, but, as there has been a good deal of fish shipped south in the last few days, it is not likely that prices will go over 12 cents.

HANDY MEN WANTED

The 6th Field Company, Canadian Engineers, whose headquarters are at North Vancouver, are offering splendid opportunities to the handy man. Any man of ordinary intelligence, able to use tools; drive a horse or motor wagon, or use tools of any kind, can find an opening with the Engineers. The Engineers offer a scope where the natural abilities of a man will have the best chance for development. Promotion is rapid to anyone possessing constructive instinct. Carpenters, miners, wheelwrights, fitters, plumbers, electricians, etc., as well as handy men without experience, are wanted. The recruiting offices for the Canadian Engineers are at the corner of Hastings and Homer Streets, Vancouver, and at 606 View Street, Victoria. Free transportation arranged from any part of British Columbia. tf.

SPLENDID DRAMA AT WESTHOLME THEATRE

King Bagot, in Harold McGrath's famous play "Half A Rogue," at the Westholme tonight is seen to splendid advantage. Bagot plays the part of a playwright. He has received a letter from a young lady who has ambitions but replies that he has not time to trouble with amateur actresses. The young lady tricks him very cleverly into seeing her and the result is that she is given a trial and ultimately becomes famous. Meantime, she has captured the heart of a friend of the playwright. One of the most amusing parts of the play is the scene of a group of small town gossips discussing the prospective marriage of this young man with an actress. It is one of the most delicious bits of comedy ever staged. "Peg O' The Ring," which completes the program continues to provide thrills and is holding the interest of Westholme audiences. This show will be repeated tonight.
