ATTENTION VOTERS

Persons who hold lots under agreement, or assignment of agreement must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally. It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.

Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.
FRED PETERS, City Clerk.

JOHN BARRYMORE AT WESTHOLME THEATRE

John Barrymore, in "The Red Widow," a Famous Players' production, is the feature at the Westholme Theatre tonight only. As Butts, a corset salesman who finds himself mixed up with a gang of Russian Nihilists, Barrymore is funny in the extreme. He is introduced as the greatest living king killer and he dies about three imaginary deaths in as many minutes when he is elected to kill the Czar. Perhaps the funniest part of an exceedingly amusing comedy is when Butts, who has eluded secret police, nihilists and other snares with apparent ease, falls into the hands of his indignant wife. The story shows Barrymore at his best and is something not to be missed. The 11th episode of "The Girl and the Game," featuring the daring Helen Holmes, completes a fine show.

HANDY MEN WANTED

The 6th Field Company, Canadian Engineers, whose headquarters are at North Vancouver, are offering splendid opportunities to the handy man. Any man of ordinary intelligence, able to use tools; drive a horse or motor wagon, or use tools of any kind, can find an opening with the Engineers. The Engineers offer a scope where the natural abilities of a man will have the best chance for development. Promotion is rapid to anyone possessing constructive instinct. Carpenters, miners, wheelwrights, fitters, plumbers, electricians, etc., as well as handy men without experience, are wanted. The recruiting offices for the Canadian Engineers are at the corner of Hastings and Homer Streets, Vancouver, and at 606 View Street, Victoria. Free transportation arranged from any part of British Columbia.

LUMBERMEN WANTED

The British army requires lumber just as much as it requires munitions and there are many men in Canada who can do their share for the Empire by enlisting in the Forestry Battalions. Sgt. Stokes is at the Red Cross rooms recruiting for a new Forestry Battalion and blacksmiths, teamsters, chaffeurs, sawyers, fliers, edgemen, fellers, laborers and anyone having a knowledge of lumbering will be welcomed to the ranks.

SAW TWO BURNING ZEPPELINS DOWNED

Mrs. Jack Knight has received a most interesting letter from her brother, W. C. White, who is with the 14th Canadian Battalion at Bramshott. He was greatly struck with the old city of London and had the unique experience of seeing two flaming Zeppelins brought down over there. He says the women of Britain are doing magnificent work, many thousands of them being engaged in work formerly done by the men. The boys of the 14th have gone through lots of hard training and are now in splendid shape. They hold the record for barbed wire work, having beaten the previous record by six minutes.

Mr. White was one of seventeen hundred Canadians who enlisted in Chicago for service in the Spanish-American war so this is not his first experience of active service.
