

A Distinctive Reason

What is the chief reason for the superiority of Dr. Price's Cream Baking Powder?

There are several good reasons, but there is one which distinguishes Dr. Price's from other baking powders.

This reason, which every woman should know, is that Dr. Price's Baking Powder is made from Cream of Tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in cheaper baking powders.

ATTENTION VOTERS

Persons who hold lots under agreements, or assignment of agreement, must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally.

It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.

Reference to old voters' lists satisfies me that only a small proportion of agreement holders have been registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.

FRED PETERS, City Clerk.

BRITAIN'S FORESIGHT SAVES PRICE OF RUBBER PRODUCTS

(Continued from Page Three)

substitute for leather. With winter and the slushy weather setting in the man in moderate circumstances finds an opportunity to save the costly leather of his boots—so quickly ruined by the water, and particularly snow water—by wearing rubbers and overshoes, that, thanks to the British government, cost little or no more than formerly.

Whatever increase there may be in the cost of rubber goods, slight as it is, is due solely to the chemicals and fabrics which enter into the manufacture and also the high prices paid to labor. So it would appear that this winter—thanks to Britain's foresight—the patriotic man will wear humble goloshes to save the costly leather of his shoes.

LUMBERMEN WANTED

The British army requires lumber just as much as it requires munitions and there are many men in Canada who can do their share for the Empire by enlisting in the Forestry Battalions. Sergt. Stokes is at the Red Cross rooms recruiting for a new Forestry Battalion and blacksmiths, teamsters, chaffeurs, sawyers, fliers, edgemens, fellers, laborers and anyone having a knowledge of lumbering will be welcomed to the ranks. tf.
