CITY OF PRINCE RUPERT

ATTENTION VOTERS
Persons who hold lots under agreements, or assignment of agreement, must make a declaration giving particulars of their title, before the last day of November. Any person neglecting to take such declaration will not be entered on the voters' list.

It is impossible for me to ascertain the names of agreement holders unless they come in personally.

It will greatly facilitate matters if persons wishing to make declaration bring their agreements, so that I may inspect them and thus prevent errors.

Reference to old voters' lists satisfies me that only a small proportion of agreement holders have registered in past years. This, I believe, has happened because people wrongly think their names will be inserted without any action on their part. I therefore call special attention to the necessity of agreement holders making declarations.

FRED PETERS, City Clerk.

SPLENDID DRAMA AT WESTHOLME THEATRE

Hobart Bosworth scores a great triumph in "The Iron Hand," the five-act Paramount feature showing at the Westholme Theatre tonight. It is a story of political bosses and their intrigues, while it also carries with it an interesting problem of the influence of heredity. Jane Novak plays splendidly as the heroine of the piece and the whole is one of the most interesting dramas unfolded on the screen. The plot is complicated and keeps the audience wondering right up to the final curtain.

The fifth episode of "Peg O' The Ring" is voted the best yet, by those who saw it last night. The fire scene is great and the installment closes in approved fashion, the heroine being left clinging to the roof of a secret elevator shaft.

A TOWNSITE

In submitting his argument for the plaintiff in the Coyle-McNeil case yesterday, L. W. Patmore stated that Mr. McNeil was the owner of the townsite of Aldermere and naturally wanted to have the newspaper remain there. A. M. Manson remarked that it was a townsite which the people were leaving. Mr. Justice Morrison looked up quizzically and remarked, "I see, it was a site minus the town."

HANDY MEN WANTED

The 6th Field Company, Canadian Engineers, whose headquarters are at North Vancouver, are offering splendid opportunities to the handy man. Any man of ordinary intelligence, able to use tools; drive a horse or motor wagon, or use tools of any kind, can find an opening with the Engineers. The Engineers offer a scope where the natural abilities of a man will have the best chance for development. Promotion is rapid to anyone possessing constructive instinct. Carpenters, miners, wheelwrights, fitters, plumbers, electricians, etc., as well as handy men without experience, are wanted. The recruiting offices for the Canadian Engineers are at the corner of Hastings and Homer Streets, Vancouver, and at 606 View Street, Victoria. Free transportation arranged from any part of British Columbia.

LUNCHEONS RESUMED NEXT WEDNESDAY

The Board of Trade will resume its business men's luncheons on board the Prince George on Wednesday, November 29th. The idea behind these luncheons is the fostering of the "get-together" spirit. Concerted action is the mainspring of the success of any city or community, and the Board of Trade is doing its utmost to promote unity in Prince Rupert. Alex. M. Manson, M. L. A. for Omineca, will deliver the first address of the series, his subject being "Prince Rupert's Hinterland." A more appropriate subject could not have been chosen as it is from its hinterland that Prince Rupert must draw much of its strength as a city and as a port. Mr. Manson knows every foot of the interior country and is well fitted to give an able and highly interesting and instructive address.
