Coughing scatters germs -Stop it

Coughing increases the irritation of the already infamed mucuous membranes and is moreover apt to carry deense to others.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stope coughing, and soon, thanks to its tonic properties, effects a permanent cure.

The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is specially due to its great value as a permanent lung and bronchial bealer. Bold everywhere, 35c large

Depend on us

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month--- all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity for the sake of our own self-respect let us give all we can to help our martyred Allies!

Send your subscriptions weekly, monthly or in one lamp on to Local or Provincial Committees, or to the
