

HIS HEART BADLY AFFECTED

"Fruit-a-tives" Soon Relieved This Dangerous Condition

682 GERRARD ST. EAST, TORONTO.
"For two years, I was a victim of Acute Indigestion and Gas In The Stomach. It afterwards attacked my Heart and I had pains all over my body, so that I could hardly move around. I tried all kinds of Medicine but none of them did me any good. At last, I decided to try 'Fruit-a-tives'. I bought the first box last June, and now I am well, after using only three boxes. I recommend 'Fruit-a-tives' to anyone suffering from Indigestion'."

Don't merely smother your cough

CURE IT—Mather's Syrup of Tar and Cod Liver Oil not only promptly arrests coughing, but thanks to its tonic and strengthening properties it helps the system to throw off the cold and thus effects a permanent cure. It is this quality which has won for it the largest sale of any cough and cold remedy in Canada.

35c. large bottles, everywhere.

If you call to French Mather's Service Station, the wonderful benefits of this Syrup will be explained to you and the price of the bottles will be given.

Baby's Own Soap

After the bath with BABY'S OWN SOAP the skin is smooth, comfortable, and exhales the aroma of freshly cut flowers. Freedom from skin troubles, explains in some measure the refreshing sleep which "Baby's Own Soap" babies enjoy. Especially for nursery use insist on "Baby's Own".

FROM FAR AND NEAR

The treaty for the sale of the Danish West Indies has been approved by King Christian. Washington is preparing for a big

naval demonstration to signalize the acquisition of the Indies by the United States.

Honolulu is to ask Congress to pass a bill permitting the importation of 25,000 Chinese. The Oriental is evidently appreciated in some parts of the United States domain.

Rear-Admiral Robert E. Peary thinks the United States should not lose sight of the importance of Greenland as a possession and that a naval base should be established there. He says that Greenland is rich in mineral deposits, particularly coal.

No more Canadians are needed meantime for the Royal Flying Corps as there is a surplus of applicants and a long waiting list.

A widely signed petition, bearing the names of many prominent Canadians, has been sent to Ottawa asking clemency for contractor Thomas Kelly, who is now serving a term in Stony Mountain penitentiary for complicity in the Manitoba parliament buildings graft.

Don't Send Money in a Letter

WHEN you send subscriptions to magazines, or order goods out of town, or pay small accounts at a distance, do not place the actual cash in the envelope. Thousands of dollars are lost every year through fire, robbery or mis-direction. Use the Bank Money Orders, issued by this bank. They are payable in Canada and the United States in any sum up to fifty dollars.

Their protection is well worth their small cost.

Belgians
Depend on us
for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

The Poor Man's University

"JONES knows more about motor cars than any other man I know," said a man to his friend. "He has obtained his knowledge chiefly from motor car advertisements, and the catalogues and booklets circulated through them."

"All I know about photography," declared a well-known amateur, "I have learned from the men who advertise cameras, plates, papers and films."

Advertisements have been well called "The Poor Man's University," but other than poor men have been schooled thereby.

Much of what the average individual knows concerning personal and domestic hygiene, modern office methods, books and authors, electricity, precious stones, investments, and almost everything else, he has learned from advertisements.

Advertisements have stimulated our intelligence, added enormously to our knowledge, and given us aspirations which have raised us to higher levels of thinking and living. Advertising is indeed "The Poor Man's University."

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.
If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lum-den Building, Toronto.
