COMPLETE DEFEAT OF VILLA'S MAIN ARMY

El Paso, Texas, Jan. 12.—Confirmation of the complete defeat of Villa forces at Jimenez last Friday by Gen. Francisco Murguia's forces and of the capture of large quantities of loot at Terrero, in Western Chihuahua, by Gen. Hernandez, was brought to the border from Chihuahua City today by refugees.

These refugees said the defeat followed a general engagement between 6,000 Carranza troops and 4,000 Villa followers instead of a skirmish, as claimed by the Villa partisans here.

Two hundred wounded Carranza soldiers have been brought to the state capital, the refugees said, and the losses on both sides were declared to be heavy. They said the de facto forces occupied the town of Parral without resistance, as the Villa forces fled before the first Carranza troop train arrived. Nine cannons were recaptured at Terrero, together with eight trains of loot, which had been taken by Villa commanders after they evacuated Chihuahua City on November 27th.

The Villa forces, in command of Julio Acaosta, were defeated at Terrero while guarding this cache and a large quantity of ammunition, supplies and other military elements were recovered.

THE STORY OF CASEY

Most veterans of the present war have in mind some particular officer to which they loop up and if that man is killed they mourn deeply because of it. In this case it was an officer of the 7th Battalion known as Major Casey. "Yes, Casey was one of the fighting race," said Sergt. Babin. "He enlisted as a private, went to France as a corporal and rose to the rank of Major. He was a prince among men, and there's considerable blood over on the western front at that, when you commence to size up the fellers you meet. Well in one big scrap Casey was killed. The boys knew he was killed but none had the nerve to break the news to the O. C."

"Where's Casey," was the first question the colonel asked when we got it.

"He's killed," replied one of the boys.

"I didn't ask if he were killed or alive but I asked where he was," returned the battalion commander.

"Well, I guess he's out in No Man's Land in a shell hole," one of the fellows replied.

"Well, go get him," came the sharp answer. "I don't care a curse if it takes this whole brigade we've got to get Casey."

Well, we obeyed orders, and we got Casey. We found him lying dead in a shell hole as the fellows said, with a bullet through his head, an explosive bullet at that. We carried him in and the hearts of the men who carried him I guess were a good deal heavier than the weight of the dead man.

Casey has been dead now for months, but Casey still lives in the spirit of the boys of the battalion, he will never die. "Charge for Casey," they say when they go over, and by G—the German who gets in the way when we

charge for Casey, well he's listed as killed the next day in Berlin.

The above is from a St. John paper and the Casey referred to is Major "Bill" Casey, who was one of the first arrivals in Prince Rupert along with J. H. Pillsbury. All who knew Bill will realize just how the boys of the 7th Battalion felt his death. Bill was all man.

Bathe Internally and Keep Well!

Nature has mightily equipped us all, old and young, to resist disease—but she requires that we give her a chance.

We give her no chance if we permit the Lower Intestine to be more or less clogged with accumulated waste. Yet that is a universal condition today, as is proven by the number of laxative drugs that are consumed.

You can help Nature in Nature's most effectual way by Internal Bathing, and in an easy, non-habit-forming way keep the Intestine as sweet and clean as Nature demands it to be for perfect health and surer defence against contagion. Over half a million keen, bright, healthy people testify to its result.

Mrs. C. G. M. (name on request) of Strathroy, Ont., writes:— I am pleased to have this opportunity of testifying to the merits of the J. B. L. Cascade. I have been using it now for a year with satisfactory results. I am an old woman, but my health is so improved that I have a renewed lease of life. You are at liberty to give my address to anyone privately who may desire to write to me regarding the Cascade.

Just call on Cyril H. Orme, Druggist, corner 3rd Ave. and 6th Street, Prince Rupert, and request free booklet, "Why Man of Today is Only 50 Per Cent Efficient." The most efficient device for Internal Bathing, The "J. B. L. Cascade" will also be shown and explained to you if you so desire. If you prefer, write for Booklet to Dr. Chas. A. Tyrrell, 143 College Street, Toronto.
