Among the Victims—Many
American Citizens Aboard
the Georgic.

(Special to The Daily News.)

Norfolk, Jan. 18.—Wireless
messages confirm the rumored
information that a German sea
raider is operating in southern
Atlantic waters. Fifteen Entente
merchant vessels are reported to
have been sunk, including the
Empress, Radnorshire, Ninich,
the City Hall, the C. P. R. liner
Mount Temple, King George, the
White Star liner Georgic, the
French liners Voltaire and Nantes,
the Canadian liners Soluang and Otta.
There were sixty-three United
States citizens aboard the Georgic
which left Boston for Liverpool
on December 19th last, while the
King George also carried a num-
ber of Americans.

The steamer Theodore was
captured and a prize crew put
aboard, while the Yarrowdale was
also captured and used as a prison
ship, four hundred members of
the captured crews of the sunken
vessels being put aboard of her.

nationality has also been sighted
several hundred miles east of the
Virginia Capes.

HALIBUT FISHERMEN GET INCREASED PAY

Vancouver, Jan. 15.—Mr. A. L.
Hager, manager of the New Eng-
land Fish Co., returned today
from Seattle, where he attended
a conference of fishing compan-
ies to discuss new agreements
with the halibut fishermen. As a
result, the fishermen will get an
increase of 100 per cent. for the
winter months of December, Jan-
uary and February, and an in-
crease of 60 per cent. for the
summer and fall months.

The 1916 agreement guaranteed
fishermen 1 1/4 cents per pound on
halibut, but the owners volun-
tarily increased this remunera-
tion to 1 1/2 cents a pound. With
the striking of the new agree-
ment for 1917, the fishermen will
get 2 cents a pound during the
summer months—an increase of
60 per cent.—and will be paid 2 1/2
cents a pound for the winter
months named, which means an
increase of 100 per cent.

(Special to The Daily News.)

London, Jan. 18.—At daybreak
yesterday, the Canadians raided
the German trenches north of
Arras and inflicted very heavy

one hundred prisoners. Under
cover of darkness, the Canadian
troops crept up to the enemy
lines, unobserved, and, the mo-
ment the signal was given, bomb-
ing parties dropped on the de-
fenders, who resisted stubbornly
for a short time but were over-
whelmed.

On the Somme front, British
raiding parties executed two suc-
cessful attacks last night.

DON YELF BROKE HIS ARM YESTERDAY

Don Yelf had the misfortune to
fall and fracture his left arm be-
tween the wrist and the elbow,
while out skating yesterday. He
went to the hospital and had it
set and is now carrying the dam-
aged member around in splints.
After what he went through at
the front, a broken bone more or
less won't worry Don much, but
it is hoped that he will soon re-
cover the full use of the "wing."

PRESBYTERIAN CHURCH HOLDS ANNUAL DINNER

The ninth annual dinner and
business meeting of the Presby-
terian Church was held last even-
ing when about a hundred and
fifty members and adherents of
the church were present. After a
substantial dinner had been dis-

of the various departments were
read and received with hearty ap-
plause.

Rev. Dr. Grant, in his opening
address, paid tribute to those
who had left the congregation to
serve the Empire at the front.

The sessional report, presented
by Chairman A. Douglas, showed
that there are 101 members on
the roll. The Sabbath School re-
port, read by the secretary, Jack
Naden, showed an average attend-
ance of 45, with the school in a
flourishing condition. Mrs. Steen,
secretary of the Ladies' Aid, pre-
sented a report covering the ac-
tivities of the ladies for the past
year and Mrs. Arnold, treasurer,
brought down a splendid financial
report, showing that the sum of
\$625.16 had been collected in this
branch of the work.

Fortnightly Club, gave a short
address, outlining the work of the
club. F. G. Dawson spoke on be-
half of the Board of Managers and
A. M. Manson, treasurer, pre-

TEUTONS LOSE VADENI AFTER GRIM STRUGGLE

Rumanian Town is Re-captured
After Repeated Attacks—
Russians Assume the
Offensive.

(Special to The Daily News.)

London, Jan. 18.—Following
repeated and vigorous attacks,
the Russians have re-captured
Vadeni from the Teutons. Ac-
cording to the latest official com-
munications from Jassy, the Ger-
man and Bulgarian offensive has
slackened considerably, the at-
tacks of the enemy being less
furious while the resumption of
reports from Rumania is regarded
as an indication that the Teutonic
armies have failed to make pro-
gress beyond the Sereth river,
which marks the limit of their
advance.

The Germans have been re-
pulsed with heavy casualties by
Allied counter-attacks in the Ka-
sino and Suchitza valleys, while
the Russians are maintaining the
offensive and have gained a foot-
ing on the peak.

Greece Accepts.

The dance given by Local Union

evening, was one of the jolliest
of the season. There were about

o'clock this morning. The music
was provided by the Westholme
orchestra; the catering was in
the capable hands of Al. Black-
burn, assisted by Jack Carmichael,
and Len Porter made an efficient
floor manager. Not a little of the
success of the event was due to
the efforts of Messrs. L. Methol,
E. Anderson and B. Jelliech, the
committee in charge of the ar-
rangements.
