There is an increasing demand for dwelling houses and apartments for rent to be vacant at any time in the near future should list them with us at once as we have many demands by mail from parties who desire to secure quarters by the time they arrive here.

I AM daily asked my opinion as to the permanent values of real estate in Prince Rupert for investment. To all such enquiries I honestly state that any Prince Rupert properties, at present valuations, are a good investment, but I advise my clients who are desirous of taking advantage of "snaps" to invest only where offerings are made at much below present market quotations.

WE are able to pick up for our clients who have ready cash for investments good properties at from 20 to 40 per cent, below the market by careful watching of fluctuations and changes by our staff. If you have cash for investment and are looking for real gains call in and talk it over. I can show you how to make quick profits.
