GERMANS HAVE LOST MANY SUBMARINES

Amsterdam, January 29.—The Telegraaf publishes an interview with a neutral who since the beginning of the war has been residing at Kiel. He says the people of Kiel are suffering from a scarcity of foodstuffs, and have had enough of the war. Disturbances have been frequent, but have not been of a serious character. Workmen at the Germania works became rebellious owing to bad treatment and low wages. Malcontents were sent to the front and replaced by others. A considerable number of Bulgarian and Austrian officers are at Kiel visiting the training school and submarines. Seventy per cent of the German submarine officers belong to the reserve. A vast number of submarines and torpedo boats are being constructed at Kiel. The submarine losses have been enormous.

The Super-Dreadnought Bismarck, Germany's largest warship, is now ready. Sailors who participated in the Skagerrak battle were not proud of the result. The Koenig Seydlitz and the Derflinger were very badly damaged.

ANNUAL VESTRY MEETING OF ST. ANDREW'S CHURCH

All the reports presented on Monday evening at the annual vestry meeting of St. Andrew's Church were encouraging, when the present conditions are taken into consideration. The Sunday School reported an average attendance of 65, with 78 on the roll. The different Women's Auxiliary reports showed excellent work and came in for warm praise as also did the choir, especially the leader, Mr. Mellior and the organist, Miss Ellett. The rector pointed out that 106 men and 2 women of the congregation had enlisted for the front and that no less than 16 of these had paid the supreme sacrifice, while many had been seriously and permanently injured. In this there was great sorrow, but also a feeling of pride that the congregation had produced so many who, at great sacrifice, were ready to take their share in the defence of liberty and justice.

The election of office-bearers resulted as follows: Rector's Warden, W. E. Burritt; People's Warden, R. L. McIntosh; Secy.—Treas., H. B. Cambie; Lay representatives to the Synod: L. M. de Gex and H. T. Cross; Auditor, H. T. Willett; Sidesmen: Sheriff Shirley, J. Conway, C. T. Heward, S. King, S. J. Winsby, R. L. McIntosh, W. E. Burritt, J. H. McMullin, E. D. Johnson, H. O. Crew, Don Yelf, J. M. Clancy, L. M. de Gex, George McNichol, A. T. Parkin and H. T. Cross.

ARE BATHS NECESSARY?

This looks like a foolish question in this enlightened age, but there are nearly a million Americans who knew nothing of Internal Bathing a few years ago and are now eager to testify that they are fully as essential to health as External Baths.

By a purely natural process of properly using warm water, the "J. B. L. Cascade" removes ALL the poisonous waste from the Lower Intestine, which physicians agree is the cause of 95 per cent of all human ailments.

It instantly relieves constipation, properly regulates the bowels and prevents all the dragging-down which Billiousness and Liver Troubles always create.

E. W. Southall, M.D., of Genesee, N. Y., writes:—

"I challenged the doctors in this town last week in regard to what I can do with your 'Cascade'. I can say for a truth that I know the reason for my success with many serious illnesses was due to having the bowels washed out once and sometimes twice a day. I only wish I could make the people in general believe in the efficiency of a good bowel washing. Sincerely yours,"

Cyril H. Orme, Druggist, corner 3rd Ave. and 5th street, Prince Rupert has filed a tremendous demand for "J. B. L. Cascade" in the past few years, and will show and explain it to you on request. A free and interesting booklet on Internal Bathing, "Why Man of Today is Only 50 Per Cent Efficient," can also be obtained for the asking. If you prefer, write to Dr. Chas. A. Tyrrell, 163 College street, Toronto, for same.
