EARLESS PETER HAS TERRORIZED GERMANS

(Continued from Page Three)

battle, and he gave their intended fortunes to Peter on condition the money should be spent in fighting Russia's invaders. Peter was much attached to his brothers. He went to Smolensk, prayed on his knees with his father, and vowed that he would slay 2,000 Germans and Austrians for each brother killed. This was a big order for a band numbering only eighty. Peter began in winter near Dvinsk. His eighty men were in white uniforms or covered with sewn sheets; their boots were covered with white fur, and their rifles painted white, so that nothing but dark eye-slits showed.

Before the year was out Earless Peter and his gallant band had accounted for near upon 4,000 German troops.

But Peter is not invulnerable. He nearly lost his life, the account goes on to say, when he began the New Year with an offensive in Galicia. His band was cornered and surrounded by one of Austrians with superior numbers, and thirty of his men were killed. Peter escaped, as he has always escaped, but with an ugly wound in his thigh. This, however, only served to make Peter turn cavalryman, for he declared that his ill-luck was due to his slow legs, and seeing that the majority of those left of his band were horsemen, he decided to recruit only those who could ride well.

This extraordinary young man, who was less than two years ago a merchant leading a quiet life in a provincial town, has acquired all the habits and weaknesses typical of the Slav outlaw.

He is religious, a drunkard, charitable, fierce, grim, frivolous, and pleasure-loving. He has done no military service, and as he could not get taken as a volunteer he started a guerrilla corps of his own.—Exchange.

The Princess Maquinna had a very heavy cargo for Prince Rupert on her arrival yesterday.

The latest Canadian casualty list shows the name of S. Beebe, of Queen Charlotte Islands, as wounded.

A meeting of great importance was held in Prince Rupert on Tuesday night. All the restaurant proprietors were there, to consider the high cost of living. In consideration of the continuous increase in the prices of all food stuffs, the conclusion was arrived at unanimously that there was only one thing to do, if they were to continue in business at all, and that was to raise prices. The restaurant proprietors were very reluctant to do this, but they felt that they were not only justified but compelled to make a general raise.

At the meeting there was some discussion about charging for potatoes and drinks extra, the same as has been done in Seattle and Vancouver. However, it was thought that a slight raise in prices throughout the list was preferable to this method. The restaurant men have been feeling the pinch of the higher costs of commodities and joint action has been considered necessary to enable them to remain in business at all. While regretting the necessity, the increase in prices was agreed to by all, simply as a means of self preservation. Everybody knows that the causes of the higher prices are not local, but are world wide. So starting in on Monday first, the 5th March, all the menus in Prince Rupert will be just a little higher than heretofore.

Bathe Internally and Keep Well!

Nature has mightily equipped us all, old and young, to resist disease—but she requires that we give her a chance.

We give her no chance if we permit the Lower Intestine to be more or less clogged with accumulated waste. Yet that is a universal condition today, as is proven by the number of laxative drugs that are consumed.

You can help Nature in Nature's most effective way by Internal Bathing, and in an easy, non-habit-forming way keep the Intestine as sweet and clean as Nature demands it to be for perfect health and surer defence against contagion. Over half a million keen, bright, healthy people testify to its result.

Mrs. C. G. M. (name on request) of Strathroy, Ont., writes:—

I am pleased to have this opportunity of testifying to the merits of the J. B. L. Cascade. I have been using it now for a year with satisfactory results. I am an old woman, but my health is so improved that I have a renewed lease of life. You are at liberty to give my address to anyone privately who may desire to write to me regarding the Cascade.

Just call on Cyril H. Orme, Druggist, corner 3rd Ave. and 4th Street, Prince Rupert, and request free booklet, "Why Man of Today is Only 50 Per Cent Efficient." The most efficient device for Internal Bathing, The "J. B. L. Cascade" will also be shown and explained to you if you so desire. If you prefer, write for Booklet to Dr. Chas. A. Tyrrell, 163 College Street, Toronto.
