TERRACE NOTES

The construction work on the new sawmill to be erected at Copper City is now in full swing, and judging by the rate of progress being made, it will not be very long till it is up and running.

Mr. and Mrs. Bacchus have come in from Lakelse and are taking up their abode in Copper City.

Bishop Du Yernet preached at the Anglican Church on Sunday to a large concourse. That the Terrace people like the Bishop's sermons was proved by the large attendance.

The Patriotic Fund meeting last Saturday was a very enthusiastic one. During the year just passed the Fund has benefited by over \$1,000 from the Terrace branch.

Mr. A. McKinnon and Mr. Cobb have been breaking the road to Kitsumkalum Lake this last week and report deep snow about four miles out.

The stork visited the home of Mr. F. Lazelle last Saturday and left a daughter in Mrs. Lazelle's care. Happy home.

Mr. Bond has returned from England last week, where he was engaged in making munitions.

All Fool's Day is to be celebrated by a dance in the Progress Hall on Saturday first.

WESTHOLME THEATRE

The second episode of the "Shielding Shadow" screened at the Westholme last night will be repeated at the second show to-night. This is a production of a high order and there are some thrilling scenes.

RACING AT THE RINK

There was a big turnout last night at the Auditorium to witness the racing. The speed trials were very much enjoyed.

LOST—Eyeglasses in case between Westholme Theatre and Bayview Hotel, via Third Avenue. Finder please return to La Casse Bakery.

ARE BATHS NECESSARY?

This looks like a foolish question in this enlightened age, but there are nearly a million Americans who knew nothing of internal bathing a few years ago and are now eager to testify that they are fully as essential to health as External Baths.

It instantly relieves constipation, properly regulates the bowels and prevents all the dragging-down which Bilioussness and Liver Troubles always create.

"I challenged the doctors in this town last week in regard to what I can do with your 'Cascade'. I can say for a truth that I know the reason for my success with many serious illnesses was due to having the bowels washed out once and sometimes twice a day.

Cyril H. Orme, Druggist, corner 3rd Ave. and 4th street, Prince Rupert has filled a tremendous demand for "J. B. L. Cascades" in the past few years, and will show and explain it to you on request.

WATER NOTICE

TAKE NOTICE that George McEae, whose address is Skidegate, B. C., will apply for a licence to take and use 150 cubic feet per minute of water out of Demster Creek, which flows northerly and drains into Alford Bay, about 15 chains from the N. E. corner of T. L. 835.

This notice was posted on the ground on the 15th day of January, 1917. A copy of this notice and an application pursuant thereto and to the Water Act, 1914 will be filed in the office of the Water Recorder at Prince Rupert.
