"In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years, and my weight dropped from 225 pounds to 100 pounds. Then several of my friends advised me to try "Fruit-a-lives". I began to improve almost with the first dose, and by using them, I recovered from the distressing Stomach Trouble—and all pain and Constipation were cured. Now I weigh 225 pounds. FIFTEEN CENTS

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flag are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
