

APPLES, ORANGES, FIGS AND PRUNES

Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives", is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

"A Dollar Saved is a Dollar Earned"

A DOLLAR to your credit in the bank, is yours. You don't have to work for it all over again—as you do for the dollars that have been spent.

How many dollars have you that you can call your own? Why not start an account in our Savings Department and save a part of the money you earn? A few dollars saved each week, amount to hundreds in the course of a few years.

THE PORTENT.—Cartoon from the New York World.

DEAR ME!

He was undoubtedly a young Englishman "ova 'ea" for the first time. Immaculately dressed he strolled from the dock swinging his cane jauntily. When near the B. C. Undertaking building he stood suddenly, and changing his cane to the left hand fumbled in his right hand pocket and produced an eye glass. While doing so he soliloquized:

"Wat! A grave in a fine wide street! Ah, ov cou'se, don't yer know, new town; 'av'nt 'ad time to build a cemetery yet."

Having screwed the glass in "is Hi" he daintily stepped from the wooden sidewalk to the muddy road a few feet and thus addressed the employee of the civic government:

"A'em, me man, for w'om digest thou that long and narrow grave?"

"Me man" stopped in his digging, straightened his back and slowly took in the clothes and the eye-glass of the questioner, took a plug of tobacco from his overalls, emptied his mouth of accumulated juice and solemnly riposted:

"Sewer pipes, you blasted ass." "Deah me," ejaculated the visitor to town, as he gingerly regained the wooden sidewalk.

An Army of Internal Bathers

Over half a million bright, keen, up-to-date Canadians and Americans have found that Internal Bathing is more essential to their well-being than External Baths.

Have found that, at different people at night, they feel like more of that bilious, tired, nervous condition—but, having by Nature's own cleanser, antiseptic warm water, removed all the poisonous waste from the Lower Intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting in healthy accord, bright, happy, clear-headed and confident, eager and capable for the duties of the day.

Dear Doctor,—I have been using your "J. B. L. Cascade" for the past three months, and am convinced that it is the most modern and scientific method of dealing with constipation that has ever been devised, and I will lose no opportunity to promote its use among my friends, as I can speak truthfully and enthusiastically as to its merits.

Yours very truly,

J. A. Darrach.

Serve Save Produce

EVERY ONE CAN do something for his country

Some can bear arms
Some can produce food
Some can make munitions
Some can give money

It is the privilege of all to help.

YOU CAN SERVE by Fighting—Working—Saving—Giving

This is NATIONAL SERVICE

Are YOU doing your part?

ALL EYES turn now to the Canadian Farmer, for he can render the Empire SPECIAL SERVICE in this sternest year of the war.

But—our farms are badly undermanned—25,000 men are needed on the land.

With insufficient help, the Man on the Land fights an uphill fight to meet the pressing need for Food.

CITY and TOWN can help.

Municipal Councils, Churches and Schools, and other organizations, both of men and women, can render National Service by directing all available labour to the Land.

Farmers themselves can exchange labour. School boys can assist.

Were you raised on a farm? Can you drive a team? Can you handle fork or hoe? If you can't fight, you can produce. Spend the Summer working on the Farm.

Let every man, woman and child in the Dominion who has access to Land, no matter how small the plot, make it produce Food in 1917.
