## THE RAILROAD CLASSIFICATION

At the Board of Trade meeting held this week, the first matter brought up was a letter from the conference of the Western Boards of Trade held at Regina in March, regarding the action of the Railway Company requesting that classification No. 17 be put into effect. The following resolution was passed in Regina and was endorsed by the Prince Rupert Board of Trade:

"Inasmuch as Western Canadian business has been built up on the principles embodied in Canadian freight classification No. 16, and as any material change therein would seriously disturb the whole economic situation in the West, therefore the conference recommends that classification No. 16 be continued in effect."

The reason for this resolution being passed is that the railway rates would be increased by the adoption of classification No. 17.

## WESTHOLME THEATRE

A photodrama entitled "Princess Romanoff" is billed for the Westholme tonight. This is based upon Sardou's most famous play, "Fedora," than which few dramas have received more world wide fame and universal approbation. The beautiful young Russian princess, early left a widow, is the sprightliest and wealthiest woman in the gay Russian capital. She plans a second marriage to please herself. The sudden death of her lover and her endeavors to find the assassin, the banished countess and her intimates in New York altogether combine in an entrancing play of high dramatic power. Nance O'Neill is the star and she is an eminent actress.

A Topical Budget will be shown and a musical programme of exceptional interest.

## In the Letter Box

To the Editor,

Dear Sir:—In your issue of yesterday, under the heading, "Cradle of Kultur," we read with great interest that all the great English poets and men of culture are of Scottish origin. As loyal Welshmen, we would like to know if there is any Scottish blood in our hero, David Lloyd George.

**WELSH BOYS OF RUPERT.**

(The article referred to by our correspondent was the statement of a German professor. The facts as he states them are no new discoveries, except possibly in Germany. They have been admitted in England, more or less grudgingly. The original origin of David Lloyd George has been suspected for several years, but at this distance from Cricketh Parish register, these suspicions cannot be verified meantime.—Editor).

 Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

## Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flag are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
