

TWO LONG YEARS HE SUFFERED

"Fruit-a-tives" Made Him Feel As If Walking On Air

ORILLIA, Ont., Nov. 28th, 1914.
"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read 'Fruit-a-tives' make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."

SHIPBUILDING IN BRITISH COLUMBIA

Ottawa, April 24.—The following official statement was given out tonight:

"The Imperial Munitions Board has felt great regret at not being able to place a larger proportion of the work of making munitions in British Columbia and Western Canada generally, on account of the prohibitive cost of paying freight on steel both ways. The British Government has now intimated that in view of the fact that all steel available for shipbuilding is absorbed by existing contracts, it is prepared to give orders for wooden ships in British Columbia, which on account of its great lumber production, has facilities for the construction of these, and the board, which has for the last month been making investigation into the matter, has now obtained leave to let contracts."

"The Dominion Government has facilitated the matter of offering to advance to the board ten million dollars for the purpose of assisting in the development of this new and important industry, and the provincial government of British Columbia has expressed its willingness to give all facilities in its power. Plans and specifications are being prepared and will be ready very shortly. It is hoped that construction will commence shortly and will proceed rapidly, as at the present moment tonnage is as important a requirement of the Allies as shells, and by supplying it British Columbia will be doing its share in the munitioning of the Allied forces as it has already done in its contribution to their fighting strength."

THE GOVERNMENT AND THE P. G. E.

This resolution was presented to the committee of enquiry now looking into the affairs of the P. G. E. in Victoria. It was brought in by Mr. George Hanes, of North Vancouver, but is held over temporarily, as the committee have yet some evidence to extract.

That, whereas the Pacific Great Eastern Railway Co. and Foley, Welch & Stewart have failed to carry out their agreement to build the P. G. E. between Vancouver and Fort George, and whereas D'Arcy Tate on behalf of the company of Foley, Welch & Stewart have stated under oath that they can not complete the line, and that the firm would not do so with their own money, and whereas D'Arcy Tate, vice-president of the railway company, and P. Welch, of Foley, Welch & Stewart, and Donald McLeod have left the province, therefore be it resolved that the following be adopted and presented to the house:

1. That the \$24,960,000 worth of capital stock issued illegally to the Pacific Great Eastern Railway company be cancelled.

2. That the contract let to P. Welch for the construction of the railway be cancelled.

3. That the P. G. E. Railway Company and Foley, Welch and Stewart be sued for the return of all statutory overpayments.

4. That action be entered against the directors of the P. G. E. Railway Company for the return of all money made as profits directly or indirectly out of the contracts or sub-contracts in which they were interested in connection with the construction of the railway.

5. That action be entered against the contractor, P. Welch, for the return of all overpayments made to him by the railway company on account of increased or wrongful classification, or payments made in accordance with the specifications.

Internal Bathing's Rapid Growth

It is but natural to expect that a relief from Constipation and the many ills which it causes, which is so effectual and so natural as Internal Bathing, should quickly make many converts.

But its general use has increased so tremendously in the past few years as to surpass other reasons, and these are found in the statement of users that they feel as if "made over new" the morning after an Internal Bath.

The elimination of the pernicious and poisonous waste which is ever present in the Lower Intestine gives Nature a chance to work unhampered. And one arises in the morning clear-headed, able, bright, confident and eager for the day's duties.

Mr. F. E. Smith writes:—

"Dear Doctor,—Your 'Cascade' made a new man of me at the age of 49. I persuaded my wife to use the treatment also, and today she has better health than ever before. Since the use of the 'Cascade' she sleeps better and can walk for hours without fatigue. Fainting spells have become a condition of the past; can eat anything on the bill of fare and drink all beverages. Does not take cold when exposed; hot weather does not cause oppression."

The "J. B. L. Cascade," the most efficient device for Internal Bathing, is being shown and explained in detail by Cyril H. Orme, Druggist, corner 3rd Ave. and 6th Street, Prince Rupert. 2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
