advocate of Comox. Douglas may be a fisherman, but he is certainly no clam. He is a strong defender of the district, if not of his country, and his battle cry: "Hurrah for Crime," ought to bring three rousing cheers from some of the local business men. He says he likes the district. It is enough. Such a frank declaration is not to be sneezed at. Undoubtedly the district likes him, too, so it is a case of horse and horse. Who will be the next champion of the underworld to step to the front with Douglas and win the applause of all Comox?

Let me say that the reason the fishing Captains go to Ketchikan for supplies is because they can leave here in the evening and get to Ketchikan in the morning. They buy their supplies during the day and are ready to leave for the fishing grounds the same afternoon, thus avoiding the snafus set for their feet in both places, but their money is spent in Ketchikan. However, they lose a day and a day is something valuable in the busy season, yet they prefer to lose one day rather than lose one or two of their crew in the dives of Comox Avenue. The captains tell me they would like to buy their supplies where they market their catch, but they can't afford to take any chances in Prince Rupert.—G. M.H.

**You Can Make Excellent Cake With Fewer Eggs**

Just use an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

**CREAM LAYER CAKE**

Old Way

1 cup sugar  
1/2 cup milk  
2 cups flour  
2 teaspoons Dr. Price's Baking Powder  
3 EGGS  
1/2 cup shortening  
1 teaspoon flavoring

New Way

1 cup sugar  
1 cup milk  
2 cups flour  
2 teaspoons Dr. Price's Baking Powder  
1 EGG  
2 tablespoons shortening  
1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Dr. Price's Baking Powder together, two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.
