IN THE LETTER BOX

Dear Mr. Editor:—An article appeared in the Evening Empire of the 8th of May on the degenerate French of Quebec, especially on the little peanut politician down in that province. I surmise that the first portion of the article is not of the writer's pen, but the gem at the finish was written to show how advanced he is in writing fiction. If I am not mistaken the writer has some intention of entering politics in the near future. As a Frenchman, I would take the liberty of advising him not to, for the profession is certainly loaded up too much at the present time with small calibre and degenerate French that it would be highly dangerous for him if he had the bad luck to be elected at the next election. Just think of the predicament he would be in, sitting as a shining light in the Hall of Fame among those degenerate Frenchmen. Why, we would have to furnish him with a guardian to return him to us without being oplited. Now, Mr. Editor, I have a son somewhere in France and another getting ready to do his duty. I am not writing this to proclaim the fact of their doing their duty, but as a Frenchman, I protest against those writers who insult the race without knowing what they are talking about. It is only a few years ago that in any paper you picked up you would read that France is degenerate. As a nation she will die. Well it is being refuted now and it may also be the case with the French of Quebec.

Thanking you, Mr. Editor, for standing so long on your toes, I remain,

Yours truly,
HABITANT.

COMFORTS FOR MEN IN THE TRENCHES

On account of the slow transportation and present shortage of supplies, Col. Ward, who is in charge of the Field Comforts for the soldiers, has expressed a desire that all the winter gifts be in by the end of July and in addition to other things has asked that every woman in England donate one pair of socks per week.

Although the Queen Mary Chapter, I. O. D. E., of this city have been devoting their time and money to the care of returned soldiers and have decided that this is to be their chief work, they feel that they must respond also to this appeal from overseas, and will have wool on hand for all who are anxious to knit. From those who cannot knit they will gratefully accept donations of heavy grey socks, which should be turned and washed in boiling water; or donations of money to purchase wool.

They wish to thank all those who gave donations for their bale of socks which was sent off on May 1st. Mrs. J. H. McMullin, Government Buildings, has charge of the yarn.

Old kid gloves and furs are also called for.

The LUX Bath

To-night—sprinkle 2 or 3 spoonfuls of LUX into the bath water. Stir it about. What happens? The LUX flakes dissolve instantly, making the water as soft as that from the old time "cisterns" or rain-barrel on the farm—do you remember?

Soft as Summer Rain

Becomes the water into which you have stirred a few LUX flakes—pure essence of soap. An exquisite, soothing and refreshing quality is given the bath, or shampoo, and what's more, no further soap will be needed.

LUX

It's the modern, quick way of using soap—and it's by far the best way for the bath. Use soap in the ordinary way and you rub or force some of it into the pores. Now, the little silken LUX wafers dissolve so completely that not a trace remains to clog the skin—yet it is thoroughly cleansed and toned.

There's a new bath luxury waiting for you in LUX. Try it. 10c.

Bathe Internally

Over 50,000 People Are Now Doing So.

For many years physicians have agreed that the vast majority of human ills were caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be, and that the poisons from this waste circulating through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news which has been covering this country, that great surgeons and specialists have been operating on the Lower Intestine for the most chronic and serious diseases, has caused Americans to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisoned waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's, Druggist, Corner 3rd Ave. and 6th St., or ask for the "Why Man of Today is Only 30 per cent Efficient," a booklet of great interest, which is given free on request. If you prefer, write for Booklet to Dr. Chas. A. Tyrrell, 163 College Street, Toronto.
