"THE WONDER HAT OF THE SEASON"—That's what it is called.—What is claimed to be the most tasteful and stylish hat of the season is before your eyes. It is made of white novelty straw and has a white George de la Brim with insets of white printed Georgette that add considerably to the attractiveness of the hat. It can be worn on the hottest summer days, and instead of making one uncomfortable, it adds to their comfort.

IN MEMORY OF

A GREAT MAN

Had he been spared, Charles Melville Hays, under whose direction the city of Prince Rupert was founded, would have been sixty-one years of age today. Like a voice from the beyond came the following lines, just found in the pocket of a garment worn by him when he was here in 1910, the first year of this city's life, and clipped by him from a local paper then.

The lines are headed "Kipling's Latest" and so characteristic are they of the man's mental trend, they will bear reproducing.
If you can keep your head when all about you
Are losing theirs and blaming it on you;

If you can trust yourself when all men doubt you,

But make allowance for their doubting, too;

If you can wait and not be tired by waiting,

Or being lied about, don't deal in lies;

Or, being hated, don't give away to hating;

And yet don't look too good, nor talk too wise.

If you can dream—and not make dreams your master;

If you can think—and not make thoughts your aim;

If you can meet with triumph and disaster

And treat those two imposters just the same;

If you can bear to hear the truth you've spoken,

Twisted by knaves to make a trap for fools,

Or watch the things you gave your life to, broken,

And stoop and build 'em up with worn out tools.

If you can make one heap of all your winnings,

And risk it on one turn of pitch-and-toss,

And lose, and start again at your beginnings

And never breathe a word about your loss;

If you can force your heart and nerve and sinew

To serve your turn long after they are gone,

And so hold on when there is nothing in you

Except the will which says to them "Hold on."

If you can talk with crowds and keep your virtue,

Or walk with kings—nor lose the common touch;

If neither foes nor loving friends can hurt you,

If all men count with you, but not too much;

If you can fill the unforgiving minute

With sixty seconds worth of distance run,

Yours is the earth and everything that's in it,

And—which is more—you'll be a man, my son.

Bathe Internally

Over 50,000 People Are Now
Doing So.

For many years physicians have agreed that the vast majority of human ills were caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be, and that the poisons from this waste circulating through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of its users, been steadily growing in favor.

Recently, however, the startling news which has been covering this country, that great surgeons and specialists have been operating on the Lower Intestine for the most chronic and serious diseases, has caused Americans to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable—the poisoned waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's, Druggist, Corner 3rd Ave. and 6th St., or ask there for "Why Man of Today is Only 50 per cent Efficient," a booklet of great interest, which is given free on request. If you prefer, write for Booklet to Dr. Chas. A. Tyrrell, 163 College Street, Toronto.
