

SEVEN YEARS TORTURE

Nothing Helped Him Until He Took "FRUIT-A-TIVES"

ALBERT VARNER

Buckingham, Que., May 3rd, 1915.
For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating, while at times I had nausea and vomiting, and had chronic Constipation. I went to several doctors and wrote to a specialist in Boston but without benefit. I tried many remedies but nothing did me good. Finally, a friend advised "Fruit-a-tives". I took this grand fruit medicine and it made me well. I am grateful to "Fruit-a-tives", and to everyone who has miserable health with Constipation and Indigestion and Bad Stomach. I say take "Fruit-a-tives", and you will get well".

THE FEDERATION OF THE WORLD

Many prophecies regarding the present war have appeared from time to time in the columns of the daily press, but it is safe to say that no picture of the future was ever drawn so boldly, so clearly, so truthfully and with such clearness of prophetic insight as the picture which the great poet Tennyson drew of the present titanic struggle for the mastery of the air and ocean.

The wonderful description of the present awful war is to be found in the poem "Locksley Hall" which was written and published over seventy years ago.

Tennyson in this poem writes: "For I dipt into the future, far as human eye could see, Saw the vision of the world, and all the wonders that would be; Saw the heavens fill with commerce, argosies of magic sails; Pilots of the purple twilight dropping down with costly bales; Heard the heavens fill with shouting, and these rained a ghastly dew.

From the nations' airy navies grappling in the central blue; Far along the world-wide whisper of the south wind rustling warm.

With the standards of the peoples plunging through the thunder-storm;

Till the war-drums throbbed no longer and the battle-flags were furled

In the Parliament of Man, the Federation of the World."

This remarkable prophecy of

WAITING AT THE BUNGHOLE.—From the New York Commercial.

the greatest of English poets seems like a meteor light thrown upon the darkness of the night, for it draws our attention to the wonderful blessings that will flow upon the world when the war is over. If we must honestly concede that Tennyson's picture of the war so far, is realistically true, must we not believe that the outcome will be "The Parliament of Man, the Federation of the World?"—J. G. COUNCIL OF THIEVES ASKS MORE FREEDOM

Petrograd, May 17.—A mass meeting of thieves was recently held at Rostoff-on-the-Don to demand a share in the new freedom and a chance to turn over a new leaf. The Chief of the local militia and the President and several members of the Council of Workmen's and Soldiers' Deputies were present on invitation.

Practically all branches of the profession of thievery were represented, and several of the most accomplished members made speeches in which they outlined the difficulties confronting them and declared that it was impossible to return to honest pursuits without the help and support of the community. The speakers complained that recently the population had risen against them and, in some instances, went so far as to lynch some of their brothers.

Chief of Militia Ralmikoff asked for help and support by the people in aiding the efforts of the thieves at reformation. One of the bystanders complained that he had been relieved of his purse containing six roubles. The thieves roundly protested that it was not the work of a professional and took up a collection to reimburse the victim.

Bathe Internally and Keep Well!

Nature has mightily equipped us all, old and young, to resist disease—but she requires that we give her a chance.

We give her no chance if we permit the Lower Intestine to be more or less clogged with accumulated waste. Yet that is a universal condition today, as is proven by the number of laxative drugs that are consumed.

You can help Nature in Nature's most effectual way by Internal Bathing, and in an easy, non-habit-forming way keep the Intestine as sweet and clean as Nature demands it to be for perfect health and surer defence against contagion. Over half a million keen, bright, healthy people testify to its result.

Mrs. C. G. M. (name on request) of Strathroy, Ont., writes:—

I am pleased to have this opportunity of testifying to the merits of the J. B. L. Cascade. I have been using it now for a year with satisfactory results. I am an old woman, but my health is so improved that I have a renewed lease of life. You are at liberty to give my address to anyone privately who may desire to write to me regarding the Cascade.

Just call on Cyril H. Orme, Druggist, corner 3rd Ave. and 6th Street, Prince Rupert, and request free booklet, "Why Man of Today is Only 50 Per Cent Efficient." The most efficient device for Internal Bathing, The "J. B. L. Cascade" will also be shown and explained to you if you so desire. If you prefer, write for Booklet to Dr. Chas. A. Tyrrell, 163 College Street, Toronto.
