

HEALTHIEST ONE IN THE FAMILY

No Sign Of Dropsy And Kidney Trouble
Since Taking "FRUIT-A-TIVES"

MATTIE WARREN
Port Robinson, Ont., July 8th, 1915.

"We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Hattie, was troubled with Kidney Disease. The Doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives'. She began to show improvement after we had given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We can not say too much for 'Fruit-a-tives' and would never be without them."

THE DUKE OF CONNAUGHT INSPECTS CANADIANS.—Canada has added another page to the glorious records of the war. The part played by Canadians at the fighting at Vimy Ridge is not likely to be forgotten by the mother country. The men seen here are hard at work on physical drill. They are men of the same brawn and brain as the men who won at Vimy. The Duke told them of his deep interest in Canadians.

THE KAISER AND DEMOCRACY

The Kaiser is an imperial Frege. He can quickly pass from role to role, and now Saul also is among the prophets. He professes that his admiration for the courage and patience of the German people is so great that it appears to him grotesque that they should be denied full democratic rights. The Prussian Diet is no longer to be elected on a class franchise, and the electors are to have the protection of the secret ballot. The All-Highest promises a little less all shall be demanded. These advantages must, however, be postponed until after the war. For the moment the Prussian elector is "all dressed up with nowhere to go." The Prussian must be a simple person if he attaches any importance to this "sin manifest." If Germany wins the war, the Kaiser will be powerful enough to regard his pledge as another "scrap of paper." If Germany loses the war, it will not be left to the Kaiser to decide how Germany shall be governed. If the German people desire speedy peace and freedom without economic ruin, they must decide their destinies themselves, and at once. —London Daily Express

ADVISES GERMANS TO LIVE ON GRASS

Copenhagen, May 24.—Berlin is now feeling the potato shortage. The residents of the capital have been warned that it may be impossible to supply five pounds to everybody this week, but that those who are unable to obtain the full ration will be given cakes. The supply of pork is short and it will be sold only on Thursdays. Another announcement says that a reduction of the present meat ration after August 15 is being considered. In view of the food shortage, Professor Holder, an agricultural expert of Passau, Bavaria, advises the people to follow the example of Nebuchadnezzar and eat grass. He informs them that both the red clover and lucerne (alfalfa) may be used for the making of tasty dishes for human consumption.

Internal Bathing's Rapid Growth

It is but natural to expect that a relief from Constipation and the many ills which it causes, which is so effectual and so natural as Internal Bathing, should quickly make many converts.

But its general use has increased so tremendously in the past few years as to suggest other reasons, and these are found in the statement of users that they feel as if "made over new" the morning after an Internal Bath.

The elimination of the pernicious and poisonous waste which is ever present in the Lower Intestine gives Nature a chance to work unhampered. And one arises in the morning clear-headed, able, bright, confident and eager for the day's duties.

Mr. F. E. Smith writes:—

"Dear Doctor,—Your 'Cascade' made a new man of me at the age of 49. I persuaded my wife to use the treatment also, and today she has better health than ever before. Since the use of the 'Cascade' she sleeps better and can walk for hours without fatigue. Fainting spells have become a condition of the past; can eat anything on the bill of fare and drink all beverages. Does not take cold when exposed; hot weather does not cause oppression."

The "J. B. L. Cascade," the most efficient device for Internal Bathing, is being shown and explained in detail by Cyril H. Orme, Druggist, corner 3rd Ave. and 6th Street, Prince Rupert.
