THE COSY CORNER

DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cosy Corner" will fill a social need.

Social Notes

Miss L. Holmes, niece of Captain T. M. Smith of the City Police Department, is in the city at present paying a visit to her uncle. She is returning shortly to her home in the East.

NEW COLLAR SET

How to Make These Pretty Dutch Collars Yourself

The girl who likes to lighten a dark costume with dainty frills, should make herself one of the sets of rounding Dutch collar and cuffs in plaited lawn.

The frills are made of fine white lawn or dotted muslin, and are cut three and a half inches wide for the collar, and two inches for the cuffs.

Mark the edge in a tiny scallop with a spool of two hundred cotton and buttonhole in white or colored mercerized cotton in a shallow line. When finished sew into eighth of an inch side plaits and sew into narrow band the right length to fit around wrist and neck. The frill falls softly from the band or in the sleeves may be inverted and turned back, being caught at one side with a lace pin.

Instead of arranging in plaits, which are hard to iron, the frills may be run in thread tucks to give the fullness. This model is good for high turnover effects and for the Dutch collar.

A PLEA

Why come asking me to share Foolish doubts that fill your mind,
Needless worries that you bear,
Hate or fear that you peer Into every nook to find?

Why come asking me to sigh
If you have no heart for glee?
If the sun has left your sky
Why presume to spread gloom
Over other men or me?

Take your foolish cares and go,
If you will cling to dismay;
But if I may cause the woe
To depart from your heart
And teach gladness to you, stay!
—S. E. Kiser

SASH STYLES THIS SEASON

Charming Return of a Pretty Feature in Dress

However the sash be used, it is always graceful, always feminine, always charming, and upon the thin dainty materials of the summer gowns it will be used to produce very pretty and attractive results.

Fichu effects are very popular this season, and deservedly so, since it is a style almost universally becoming, and very often the sash is used in fichu form. The sash ribbon and gauze or chiffon are arranged over the bodice to

ITEMS OF SPORT

Chicago, St. Louis, Cleveland, and Boston have not won a game from Pitcher Ross of the Highlanders since the beginning of the season of 1910.

The handsome Hartney cup, offered for competition among the professional lacrosse clubs by Mr. C. T. Hartney, is an attractive piece of silverware. The trophy, which is a perpetual one, will go to the team scoring the largest number of goals during each season.

Pitcher Jack Pfeister's days with the Chicago National League team are apparently numbered. Manager Frank Chance announced that all the National League clubs had waived on the southpaw and the probabilities are he will be released to the Louisville American Association Club.

By winning the Kempton Park Jubilee Handicap Bachelor's Double, the property of Sir George Murray, stamped himself as one of the greatest handicap horses of the age. He won the race carrying the heavy weight of eight stone eleven pounds. The heaviest burden ever carried to victory in this event was that in 1896, when Victor Wild won with nine stone seven pounds in the saddle.

Mike Donlin may join the Boston Rustlers. Mike has been out of the game two years, but he claims that he is still there as a hitter.

The conclusion of the English football season has been dramatic. Manchester United have for the second time become the league champions, with Aston Villa the runners-up, or exactly the same relative positions as in 1907-08. On each occasion the United have earned 52 points.

No less than thirty players are batting better than .300 in the American association and an even dozen are clotting for .400 and over. Otis Clymer, Billy Hallman, Del Howard, Fred Carlsch and Phil Sitton are ex-Pirates in the charmed circle of club swingers, while Ham Hyatt is about ready to force his way into select society.

Packey McFarland has agreed to meet Mat Wells, the British lightweight champion, in a ten-round bout to be staged in Milwaukee early in June. The fighters have settled upon 133 pounds at 3 o'clock. The date will probably be June 9.

Martin Sheridan announces he has competed for the last time in the all-round championships, and that he is content to leave his present world's all-round record of 7,385 points for others to shoo at. Martin has not the time nor the inclination to go through another long seige of training necessary to fit himself for an all-round championship.

For the first time this year an American owner captured one of the big events over the Long Champs course. Colonel Millard Humsicker's Bolide II won the fillies' trial prize, worth \$17,600, from a good field. The distance was one mile and Bolide II finished a length in front of W. F. Latman's La Besace and Walburga, which finished second and third respectively. The betting was 12 to 1 against Bolide II.

Owen Moran, the English lightweight, who is matched with Wolgast for 25 rounds in 'Frisco on July 4th, has an unusual record. Although he has taken part in ninety fights he has never suffered a knockdown. In the recent battle with McFarland at the Fairmont A. C., some of the spectators thought that Moran was floored by a punch on the jaw in one of the early rounds. Moran, after the bout, said that he slipped in avoiding a straight left for the chin, and lost his balance. In this he was corroborated by McFarland, who declared that he did not land a hard blow and that Moran, in breaking ground, tripped
