

"I FEEL LIKE A NEW BEING"

"FRUIT-A-TIVES" Brought The Joy Of Health After Two Years' Suffering

MADAM LAPLANTE
35 St. Rose St., Montreal, April 4th.
"For over two years I was sick and miserable. I suffered from constant headaches, and had palpitation of the heart so badly that I feared I would die. There seemed to be a lump in my stomach and the constipation was dreadful. I suffered from pain in the back and kidney disease.

I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no headaches, no palpitation, no heart trouble, no constipation, no pain or kidney trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health."

An Army of Internal Bathers

Over half a million bright, keen, up-to-date Canadians and Americans have found that Internal Bathing is more essential to their well-being than External Baths. Have found that, taken occasionally at night, they feel like different people the next morning. No more of that bilious, tired, nervous condition—but, having by Nature's own cleanser, antiseptic warm water, removed all the poisonous waste from the Lower Intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting in healthy accord, bright, happy, clear-headed and confident, eager and capable for the duties of the day.

"Dear Doctor,—I have been using your 'J. B. L. Cascade' for the past three months, and am convinced that it is the most modern and scientific method of dealing with constipation that has ever been devised, and I will lose no opportunity to promote its use among my friends, as I can speak truthfully and enthusiastically as to its merits.

Yours very truly,
J. A. Darrach,
Wholesale and Retail Men's Wear.
Why not learn more about this rapidly-growing and natural practice? The 'J. B. L. Cascade', the original and best appliance for this purpose, manufactured by Charles A. Tyrrell, M. D., is now being shown and explained by Cyril H. Orme, Druggist, corner 3rd Ave. and 6th Street. There also may be obtained free on request, 'Why Man of Today is Only 50 Per Cent. Efficient,' a most interesting booklet on the subject. If you prefer, write to Dr. Chas. A. Tyrrell, 163 College Street, Toronto, for same.

You Can Make Excellent Cake With Fewer Eggs

Just use an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way	New Way
1 cup sugar	1 cup sugar
1/2 cup milk	1 cup milk
2 cups flour	2 cups flour
2 teaspoons Dr. Price's Baking Powder	4 teaspoons Dr. Price's Baking Powder
3 eggs	1 egg
1/2 cup shortening	2 tablespoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Dr. Price's Baking Powder together, two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.
