completely Restored To Health By "Fruit-a-tives"

382 St. VALIER St., MONTREAL. "In 1912, I was taken suddenly ill ith Acute Stomach Trouble and propped in the street. I was treated by several physicians for nearly two years, and my weight dropped from 225 bounds to 160 pounds. Then several of my friends advised me to try "Fruita-tives". I began to improve almost with the first dose, and by using them, recovered from the distressing Stomach Trouble - and all pain and Constipation were cured. Now I weigh 208 pounds. I cannot praise "Fruita-tives" enough". H. WHITMAN.

He travelled over the principal Russian railways from Lapland to the Caucasus, accompanied by Russian railroad officials, made a thorough inspection and on his return to England presented comprehensive reports to the government, for which he was warmly thanked by the Rt. Hon. David Lloyd George.

Follow Canada's Example.

In a recent interview Sir George Bury stated that there was no doubt that after the war Russia would have to build several thousand miles of railway. "Canada," he said, "has ten times more railway mileage per unit of population than has Russia. Then. again, Russia made the mistake of patterning her railway transpartation after that of Europe rather than America.

"Traffic in Russia moves vast distances in great bulk. The ary 1st. country lends itself to low grades and easy curvature. If that great country is to achieve the destiny in store for her she will have to come to the large train and large car, because these two factors make for economical transportathat Internal Bathing is more essential to tion, and economical transporta- days. tion is essential if a producing country of wide distances is to next morning. No more of that billious, hold her own in the markets of

"Had Russia been equipped with railway transportation, say refreshed by normal sleep, as in Canada, she would have with all their functions acting in healthy been able to have played a much

# You Can Make Excellent Cake With Fewer Eggs

Just use an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way 1 cup sugar

teaspoons Dr. Price's Baking Powder 4teaspoons Dr. Price's Baking Powde

New Way

tablespoons shortening 1 teaspoon flavoring

Makes 1 Large 2-Layer Cake DIRECTIONS-Cream the sugar and shortening together, then mix in the egg After sifting the flour and Dr. Price's Baking Powder together, two or three times, add it all to the mixture. Gradually add the milk and best with speed until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and sprea with white icing.

CREAM BAKINGPOWDER

Made from Cream of Tartar, derived from Grapes

Made in Canada

No Alum
