Are The Four Fruits Used in Making "Fruit-a-lives"

"FRUIT-A-LIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-lives because I have tried other remedies and they did me no good." On the other hand, the fact that "Fruit-a-lives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-lives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

## An Army of Internal Bathers

Over half a million bright, keen, up-to-date Canadians and Americans have found that Internal Bathing is more essential to their well-being than External Baths. Have you that, taken occasionally at night, they feel like different people the next morning. No more of that bilious, tired, nervous condition—but, having Dr. Nature's own cleanser, antiseptic warm water, removed all the poisonous waste from the lower intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting in healthy accord, bright, happy, clear-headed and content, eager and capable for the duties of the day.

Copper Cliff, Ont., March 2, 1916. Dr. Chas. A. Tyrrell, Toronto, Ont. Dear Doctor,—I have been using your "J. B. L. Cascade" for the past three months, and am convinced that it is the most modern and scientific method of dealing with constipation that has ever been devised, and I will use no opportunity to promote its use among my friends, as I can speak truthfully, and enthusiastically as to its merits.

Yours very truly, J. A. Darrach. Wholesale and Retail Men's Wear. Why not learn more about this rapidly growing and natural practice? The "J. B. L. Cascade," the original and best appliance for this purpose, manufactured by Charles A. Tyrrell, M.D., is now being shown and explained by Cyril H. Orme, Druggist, corner 3rd Ave. and 6th Street. There also may be obtained free on request, "Why Man of Today is Only 50 Per Cent. Efficient," a most interesting booklet on the subject. If you prefer, write to Dr. Chas. A. Tyrrell, 163 College Street, Toronto, for same.

## BARLEY A MEDIUM HARVEST IN GERMANY

Copenhagen, June 12.—The rapid dwindling of Germany's grain stocks under the drain imposed by the supplementary bread allowances granted to compensate for missing potatoes was the cause of the recent hastily summoned conference of representatives of the Central Powers in Berlin. Officials of the German food department, supported by energetic representations from the military and diplomatic authorities, won the grant of an additional proportion for Germany of the grain stocks captured in Roumania.

The German authorities are conducting a vigorous publicity campaign to convince the people that all is well with the coming harvest, and that the present food difficulties will disappear as soon as the new crop is available.

A hint of somewhat different possibilities is given in a paragraph which slipped into a glowing account of crop prospects in the weekly Woche. This paragraph says: "If all conditions continue favorable Germany can hope for barely a medium harvest owing to the lack of fertilizers, particularly nitrates." The fruit harvest, according to experts, also will be only medium.

## RED CROSS NOTES

The young ladies who had charge of the sale of home-cooking in aid of the Red Cross in the tent on Third Avenue last week realized the sum of \$34 for the Society and \$25.95 for the prisoners of war by the handkerchief sale.

The sale of home-cooking on Friday will be held in the Red Cross tent as usual and will be under the direction of Mrs. E. Parker and Mrs. Stanley Parker. Very many more articles of home cooking can be disposed of each Friday at these sales. The demand is always greater than the supply, and greater contributions will be gratefully received by the society. With the increasing number of men at the front, the number of wounded is consequently also greater, and still greater are the demands made upon the Red Cross Society. The necessity for increased assistance is still here.

The Red Cross Society acknowledges receipt of the sum of \$16 from the Queen Mary Chapter Knitting Club, for wool sold them by the Society.

The winners of the drawings held last Friday were as follows: Dolly to J. Miller; knife and fork to Mr. C. Orme; tea from Mrs. Spurr, won by Mr. Brethour; coffee pot won by Mrs. Cornish; pipe won by Mr. W. A. McDonald; box of candy won by Mrs. Burritt; electric stove from Mrs. Orme won by Mrs. J. M. Lyons.

Advertise In The Daily News

## Jogging Laziness into Activity

The merchant whose business lags in the summer has himself to thank.

To slacken the selling pace in the hot season—to lessen Advertising activity—indicates a resignation which has no place in modern business.

If we think we cannot keep our business booming in summer time, we surely will not.

What a jolt it must have been to the fur trade, when the first mid-summer fur advertisement was run in a daily paper! Now many fur stores are following the example of that progressive fur man who dared to believe that fur sales need not go down as the mercury goes up.

Energy, linked with Advertising, has turned the month of January into the biggest selling season for white goods. Advertisements of a high stimulative power, combined with a disregard of "seasons," have opened up automobile selling two months earlier than was once thought possible. Advertising has started Christmas shopping early in October instead of the middle of December.

Advertising rises superior to seasons and thermometers. The right kind of Advertising strikes a responsive cord in human nature—and human nature is the same in August as in December.

Advice regarding your advertising problems is available through any recognized Canadian advertising agency, or the Secretary of the Canadian Press Association, Room 503 Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write, if interested.
